

## **Admission Policy & Eligibility – Telapathy College of Medical Science (TCMS)**

question,answer,source

What is the minimum educational qualification for MBBS admission?,Candidates must have passed 10+2 with Physics Chemistry Biology and English from a recognized board.,admission\_policy

What is the minimum aggregate required for General category candidates?,General category candidates must secure at least 50 percent aggregate in Physics Chemistry and Biology.,admission\_policy

What is the minimum aggregate required for SC ST and OBC candidates?,Reserved category candidates must have a minimum of 40 percent aggregate in PCB as per NMC norms.,admission\_policy

Which entrance examination is mandatory for MBBS admission?,NEET UG is the mandatory national level entrance examination for MBBS admission.,admission\_policy

Is NEET qualification compulsory for all medical colleges?,Yes NEET qualification is compulsory for admission to all recognized medical colleges in India.,admission\_policy

What is the minimum age requirement for MBBS admission?,The candidate must have completed 17 years of age on or before 31st December of the admission year.,admission\_policy

Is there an upper age limit for MBBS admission?,The upper age limit is governed by NMC and court orders and may vary by academic year.,admission\_policy

Who conducts the centralized counseling for admissions?,Counseling is conducted by the Medical Counseling Committee and State Counseling Authorities.,admission\_policy

What percentage of seats are reserved under All India Quota?,Fifteen percent of total MBBS seats are allocated under the All India Quota.,admission\_policy

What percentage of seats fall under State Quota?,Eighty five percent of the seats are filled through State Quota counseling.,admission\_policy

Is EWS reservation applicable in medical admissions?,Yes ten percent seats are reserved for Economically Weaker Section candidates.,admission\_policy

What is the OBC reservation percentage?,Twenty seven percent seats are reserved for OBC candidates as per government norms.,admission\_policy

What is the SC reservation percentage?,Fifteen percent seats are reserved for Scheduled Caste candidates.,admission\_policy

What is the ST reservation percentage?,Seven point five percent seats are reserved for Scheduled Tribe candidates.,admission\_policy

Is reservation for Persons with Disabilities available?, Yes PwD reservation is provided as per National Medical Commission guidelines.,admission\_policy

Is domicile certificate required for State Quota admission?, Yes a valid state domicile certificate is required for claiming State Quota seats.,admission\_policy

What documents are mandatory during admission reporting?, NEET score card allotment letter class 10 and 12 mark sheets identity proof and certificates are mandatory.,admission\_policy

Is Transfer Certificate required at the time of admission?, Yes a Transfer Certificate from the last attended institution is compulsory.,admission\_policy

Is Migration Certificate required for students from other boards?, Yes Migration Certificate is required for students coming from other education boards or universities.,admission\_policy

Is Character Certificate required for admission?, Yes a valid Character Certificate issued by the last institution is mandatory.,admission\_policy

Is Medical Fitness Certificate compulsory?, Yes candidates must submit a medical fitness certificate issued by an authorized medical officer.,admission\_policy

Is Aadhaar card required for verification?, Yes Aadhaar is required for identity verification and record linkage.,admission\_policy

Is a Gap Certificate required if there is a study break?, Yes a Gap Certificate is required if there is a gap after class 12 or previous studies.,admission\_policy

Are original documents verified physically?, Yes all original documents are verified during physical reporting at the institute.,admission\_policy

Is biometric verification conducted during admission?, Yes biometric authentication is performed to prevent impersonation.,admission\_policy

Is online registration mandatory for counseling?, Yes candidates must register on the official counseling portal to participate.,admission\_policy

Is choice filling required in counseling?, Yes candidates must fill and lock their college and course preferences.,admission\_policy

Can a student change the allotted college?, Change is possible only through upgradation in subsequent counseling rounds.,admission\_policy

What is a Mop-Up Round in counseling?, Mop-Up Round is conducted to fill remaining vacant seats after main rounds.,admission\_policy

What is a Stray Vacancy Round?,It is the final round conducted by institutions to fill leftover seats under regulatory supervision.,admission\_policy

Can management quota seats be filled without NEET?,No NEET qualification is mandatory even for management quota admissions.,admission\_policy

Is NRI quota available at TCMS?,Yes NRI quota seats are available as per NMC and government approval.,admission\_policy

Are foreign nationals eligible for admission?,Yes foreign nationals can apply subject to equivalence and regulatory clearance.,admission\_policy

Is an Eligibility Certificate from the university required?,Yes the affiliating university issues an eligibility certificate for admission validation.,admission\_policy

Is Anti Ragging Affidavit mandatory?,Yes both student and parent must submit Anti Ragging Affidavits.,admission\_policy

Is fee payment required at the time of reporting?,Yes admission is confirmed only after payment of prescribed fees.,admission\_policy

Is installment facility available for fee payment?,Installment options may be available as per institutional financial policy.,admission\_policy

Is hostel allotment guaranteed after admission?,Hostel allotment is subject to availability and institutional rules.,admission\_policy

Can admission be cancelled after confirmation?,Yes admission can be cancelled if any document is found false or eligibility is violated.,admission\_policy

Is there a refund policy for withdrawn admissions?,Yes refund is processed as per UGC and NMC refund regulations.,admission\_policy

Is admission initially provisional?,Yes admission remains provisional until university and regulatory verification is complete.,admission\_policy

Is physical presence mandatory during admission?,Yes physical reporting at the college is mandatory for document verification.,admission\_policy

Is online-only admission allowed?,No candidates must report physically for final admission formalities.,admission\_policy

Are original certificates retained by the college?,Yes original certificates may be retained till completion of the course as per rules.,admission\_policy

Is service bond applicable after admission?,Service bond is applicable for government quota seats as per state policy.,admission\_policy

Is minority quota applicable at TCMS?,Minority quota applies only if the institution is notified as a minority institution.,admission\_policy

Is caste certificate verification compulsory?,Yes caste certificates are verified by authorized authorities.,admission\_policy

Is income certificate required for EWS category?,Yes a valid income certificate is mandatory for EWS reservation.,admission\_policy

Is seat upgradation allowed in later rounds?,Yes students may opt for upgradation in further counseling rounds.,admission\_policy

Is late reporting permitted?,Late reporting is allowed only within the officially notified schedule.,admission\_policy

Is admission after the cutoff date allowed?,No admissions are not permitted after the official cutoff date.,admission\_policy

Is admission governed by National Medical Commission?,Yes all admissions follow NMC regulations and guidelines.,admission\_policy

Is university affiliation mandatory for the college?,Yes the college must be affiliated with a recognized Health Sciences University.,admission\_policy

Is the admission process strictly merit based?,Yes seat allotment is based solely on NEET rank and reservation norms.,admission\_policy

Is disability assessment done for PwD candidates?,Yes candidates are assessed by a designated Medical Board.,admission\_policy

Is rural service condition applicable to some seats?,Yes certain state quota seats may have mandatory rural service bonds.,admission\_policy

Is inter-college transfer allowed after admission?,Transfer is allowed only with approval from NMC and affiliating university.,admission\_policy

Is re-admission possible after discontinuation?,Re-admission is governed by university and NMC regulations.,admission\_policy

Is university re-verification conducted after admission?,Yes the university verifies all admitted student records.,admission\_policy

Is the Seat Allotment Letter mandatory at reporting?,Yes original allotment letter must be produced during admission.,admission\_policy

Is student insurance required?,Yes students are covered under institutional medical insurance schemes.,admission\_policy

Is vaccination record required during admission?,Yes basic immunization records are verified for hostel and hospital safety.,admission\_policy

Is parental consent required at admission?,Yes parents or guardians must sign consent and undertaking forms.,admission\_policy

Is Code of Conduct acceptance mandatory?,Yes students must formally accept institutional code of conduct.,admission\_policy

Is the admission process subject to court orders?,Yes all admissions are subject to prevailing judicial directions.,admission\_policy

Is fee structure published before counseling?,Yes complete fee structure is notified prior to admission rounds.,admission\_policy

Is scholarship information provided at admission?,Yes eligible students are informed about government and institutional scholarships.,admission\_policy

Is bank account required for refunds?,Yes bank details are required for processing any refund.,admission\_policy

Is photograph verification done?,Yes candidate photographs are verified and recorded in student database.,admission\_policy

Is signature specimen collected?,Yes specimen signatures are recorded for official records.,admission\_policy

Is biometric attendance later linked to admission data?,Yes student biometric records are integrated with academic systems.,admission\_policy

Is Student ID generated after admission?,Yes a unique student ID and roll number are generated.,admission\_policy

Is university enrollment number issued?,Yes the affiliating university issues an enrollment number to each student.,admission\_policy

Is grievance redressal available during admission?,Yes a grievance cell operates during counseling and reporting.,admission\_policy

Is a helpline provided for admission queries?, Yes official helpline numbers and email support are provided., admission\_policy

Is the admission process audited?, Yes admission records are audited by regulatory and university authorities., admission\_policy

Is the seat matrix published before counseling?, Yes category-wise seat matrix is officially published., admission\_policy

Is category-wise cutoff released?, Yes cutoff ranks are published after each counseling round., admission\_policy

Is document mismatch a ground for rejection?, Yes discrepancies in documents can lead to cancellation of admission., admission\_policy

Is provisional admission cancellable later?, Yes provisional admission can be cancelled upon verification failure., admission\_policy

Is the entire process time bound?, Yes counseling and admission follow a strict schedule., admission\_policy

Is legal undertaking required from students?, Yes students must submit legal undertakings and affidavits., admission\_policy

Is migration between universities regulated?, Yes migration requires formal approval and regulatory clearance., admission\_policy

Is student data uploaded to NMC portal?, Yes admitted student data is uploaded to the NMC database., admission\_policy

Is Aadhaar-based verification used in records?, Yes Aadhaar is used for digital identity validation., admission\_policy

Is admission governed by transparency norms?, Yes the process follows transparency and merit-based principles., admission\_policy

Is disciplinary history checked during admission?, Yes past disciplinary records may be verified., admission\_policy

Is medical council registration required after graduation?, Yes graduates must register with the State Medical Council., admission\_policy

Is orientation program conducted after admission?, Yes newly admitted students attend an official orientation program., admission\_policy

Is hostel medical screening done after joining?,Yes health screening is conducted for hostel residents.,admission\_policy

Is attendance policy informed at the time of admission?,Yes students are briefed about the minimum attendance requirement.,admission\_policy

Is curriculum structure explained during induction?,Yes academic structure and assessment pattern are explained.,admission\_policy

Is anti-ragging committee information provided?,Yes students are informed about anti-ragging mechanisms.,admission\_policy

Is student support and counseling cell introduced?,Yes student welfare and counseling facilities are introduced.,admission\_policy

Is institutional email ID issued?,Yes each student receives an official institutional email.,admission\_policy

Is LMS access provided after enrollment?,Yes Learning Management System access is activated post admission.,admission\_policy

Is hospital ID issued for clinical access?,Yes students receive hospital identity cards for clinical postings.,admission\_policy

Is internship policy shared at admission?,Yes internship structure and evaluation are explained.,admission\_policy

Is attendance monitored through biometric system?,Yes attendance is monitored digitally using biometric systems.,admission\_policy

Is examination system explained during induction?,Yes assessment and examination rules are formally communicated.,admission\_policy

Is grievance appeal mechanism explained?,Yes students are informed about academic and administrative appeals.,admission\_policy

Is student data protected under privacy rules?,Yes student records are maintained under data protection policies.,admission\_policy

Is admission strictly as per NEET rank order?,Yes seat allotment strictly follows NEET merit order.,admission\_policy

Is counseling result final after last round?,Yes final round allotment is binding unless legally challenged.,admission\_policy

Is academic calendar provided after admission?,Yes students receive the academic calendar at the beginning of the session.,admission\_policy

Is identity card mandatory on campus?,Yes institutional ID is mandatory for campus and hospital entry.,admission\_policy

Is library membership created after admission?,Yes library access is activated upon enrollment.,admission\_policy

Is hostel rulebook issued to new students?,Yes hostel regulations are provided at the time of joining.,admission\_policy

Is code of medical ethics explained?,Yes students are oriented about professional ethics and conduct.,admission\_policy

Is parent teacher meeting conducted after admission?,Yes introductory parent teacher meetings are organized.,admission\_policy

Is student grievance committee contact recognized?,Yes official grievance officers are notified to students.,admission\_policy

Is emergency contact information collected?,Yes emergency contact details of parents are recorded.,admission\_policy

Is student insurance card issued?,Yes insurance details are provided to all enrolled students.,admission\_policy

Is uniform and dress code informed?,Yes dress code and white coat policy are communicated.,admission\_policy

Is laboratory safety orientation conducted?,Yes lab safety training is provided during initial weeks.,admission\_policy

Is clinical posting schedule shared?,Yes students receive their posting schedules officially.,admission\_policy

Is hostel warden introduction part of induction?,Yes wardens introduce hostel rules and discipline systems.,admission\_policy

Is academic mentor assigned after admission?,Yes each student is allotted a faculty mentor.,admission\_policy

Is internal assessment pattern explained?,Yes internal evaluation scheme is explained during orientation.,admission\_policy

Is student participation in clubs informed?,Yes co-curricular opportunities are introduced to freshers.,admission\_policy

Is attendance shortfall policy explained?,Yes rules regarding attendance shortage and penalties are explained.,admission\_policy

Is university exam registration done after admission?,Yes students are registered for university examinations.,admission\_policy

Is roll number generation centralized?,Yes roll numbers are generated by the affiliating university.,admission\_policy

Is migration certificate submitted to university?,Yes migration documents are forwarded to the university.,admission\_policy

Is final admission approval issued by university?,Yes the university grants final approval for enrollment.,admission\_policy

## Academic Departments & Faculty – Telapathy College of Medical Science (TCMS)

question,answer,source

Who is the Head of the Department of Anatomy?,Dr. Suresh Raghunath Iyer serves as the HOD of Anatomy and oversees teaching and research in gross anatomy and neuroanatomy.,anatomy\_department

Which subjects are taught in the Anatomy department?,Gross Anatomy Histology Embryology Surface Anatomy and Radiological Anatomy are taught.,anatomy\_department

Who teaches Neuroanatomy?,Dr. Kavita Menon teaches Neuroanatomy to first year MBBS students.,anatomy\_department

What is the role of the Anatomy HOD?,The HOD plans curriculum delivery supervises faculty and ensures practical and dissection lab standards.,anatomy\_department

Who is the HOD of Physiology?,Dr. Alok Prasad Mishra is the Head of Physiology and coordinates cardiovascular respiratory and neurophysiology teaching.,physiology\_department

Which faculty teaches Cardiovascular Physiology?,Dr. Pooja Sharma handles cardiovascular physiology lectures and practicals.,physiology\_department

What areas are covered in Physiology?, Cardiovascular Respiratory Neuro Endocrine Renal and Gastrointestinal Physiology are covered., physiology\_department

Who supervises Physiology practical labs?, Associate and Assistant Professors under the guidance of the HOD supervise lab sessions., physiology\_department

Who is the HOD of Biochemistry?, Dr. Rameshwar Lal Gupta leads the Biochemistry department and oversees molecular biology and clinical biochemistry., biochemistry\_department

Which subjects are taught in Biochemistry?, Metabolism Enzymology Molecular Genetics Nutrition and Hormonal Biochemistry are taught., biochemistry\_department

Who teaches Clinical Biochemistry?, Dr. Anjali Saxena teaches clinical biochemistry and diagnostic interpretation., biochemistry\_department

What is the role of the Biochemistry department in MBBS?, It provides foundational knowledge of metabolism and lab diagnostics., biochemistry\_department

Who is the HOD of Pathology?, Dr. Neeraj Kapoor is the Head of Pathology and coordinates histopathology cytology and hematology., pathology\_department

Which faculty teaches Hematology?, Dr. Sunita Arora teaches hematology and bone marrow pathology., pathology\_department

What are the major divisions of Pathology?, Hematology Histopathology Cytopathology Clinical Pathology and Molecular Diagnostics., pathology\_department

Who supervises pathology laboratories?, Professors and Associate Professors under the HOD supervise diagnostic and teaching labs., pathology\_department

Who is the HOD of Microbiology?, Dr. Ayesha Rahman heads Microbiology and oversees bacteriology virology and infection control., microbiology\_department

Which subjects are covered in Microbiology?, Bacteriology Virology Mycology Parasitology and Immunology are covered., microbiology\_department

Who teaches Virology?, Dr. Rina Thomas teaches virology and viral diagnostics., microbiology\_department

What is the role of the Microbiology department?, It supports teaching and hospital infection control and diagnostic services., microbiology\_department

Who is the HOD of Pharmacology?, Dr. Deepak Narayan Kulkarni is the Head of Pharmacology and guides clinical pharmacology and therapeutics., pharmacology\_department

Which faculty teaches Clinical Pharmacology?, Dr. Imran Qureshi teaches clinical pharmacology and rational drug use., pharmacology\_department

What topics are included in Pharmacology?, Systemic pharmacology autonomic drugs chemotherapy and pharmacovigilance., pharmacology\_department

What is the function of the Pharmacology lab?, It conducts experimental demonstrations and drug safety training., pharmacology\_department

Who is the HOD of Forensic Medicine?, Dr. Raghavendra Shetty heads Forensic Medicine and handles medicolegal education., forensic\_department

What is taught in Forensic Medicine?, Medical jurisprudence toxicology and autopsy procedures are taught., forensic\_department

Who teaches Toxicology?, Dr. Pankaj Kulkarni teaches toxicology and poisoning management., forensic\_department

Who is the HOD of Community Medicine?, Dr. Anuradha Desai heads Community Medicine and oversees public health training., community\_medicine\_department

Which subjects are covered in Community Medicine?, Epidemiology Biostatistics Health Programs and Preventive Medicine., community\_medicine\_department

Who coordinates rural health training?, Faculty from Community Medicine coordinate field postings., community\_medicine\_department

Who is the HOD of General Medicine?, Dr. Rajiv Mohan Aggarwal is the Head of Medicine and supervises clinical teaching and ward rounds., medicine\_department

Which faculty teaches Cardiology?, Dr. Neha Srivastava teaches cardiology and critical care modules., medicine\_department

What are the major subspecialties in Medicine?, Cardiology Endocrinology Gastroenterology Pulmonology and Infectious Diseases., medicine\_department

Who supervises bedside clinics in Medicine?, Professors and Associate Professors conduct daily bedside teaching., medicine\_department

Who is the HOD of General Surgery?, Dr. Maheshwar Pratap Singh heads the Surgery department and oversees operative training., surgery\_department

Which faculty teaches Laparoscopic Surgery?, Dr. Alok Verma teaches laparoscopic and minimally invasive surgery., surgery\_department

What subspecialties are in Surgery?, GI Surgery Trauma Vascular Surgery and Breast Surgery., surgery\_department

Who is the HOD of Pediatrics?,Dr. Shailendra Kumar Tripathi leads Pediatrics and neonatal care training.,pediatrics\_department

Who teaches Neonatology?,Dr. Aarti Malhotra teaches neonatal intensive care and newborn management.,pediatrics\_department

What is the role of Pediatrics department?,It provides child health teaching and clinical training.,pediatrics\_department

Who is the HOD of Obstetrics and Gynecology?,Dr. Sunita Raghavendra Rao is the HOD and supervises maternity and gynecologic services.,obg\_department

Who teaches High Risk Pregnancy?,Dr. Richa Malviya teaches high risk obstetrics and fetal medicine.,obg\_department

Who is the HOD of Orthopedics?,Dr. Prakash Narayan Kulkarni heads Orthopedics and trauma services.,orthopedics\_department

Which faculty teaches Spine Surgery?,Dr. Rohan Mehta teaches spine and trauma surgery.,orthopedics\_department

Who is the HOD of Radiology?,Dr. Nitin Choudhary is the Head of Radiology and oversees imaging services.,radiology\_department

Who teaches MRI and CT?,Dr. Shreya Bansal teaches advanced imaging and neuroradiology.,radiology\_department

Who is the HOD of Anesthesiology?,Dr. Sanjay Krishnamurthy heads Anesthesia and critical care training.,anesthesia\_department

Who teaches Critical Care Anesthesia?,Dr. Meenal Joshi teaches cardiac and ICU anesthesia.,anesthesia\_department

Who is the HOD of Psychiatry?,Dr. Anand Kulshreshtha heads Psychiatry and mental health services.,psychiatry\_department

Who teaches Child Psychiatry?,Dr. Sameer Qureshi teaches child and adolescent psychiatry.,psychiatry\_department

Who is the HOD of ENT?,Dr. Rakesh Malviya heads ENT and endoscopic sinus surgery.,ent\_department

Who is the HOD of Ophthalmology?,Dr. Pradeep Venkatesan leads Ophthalmology and cataract services.,ophthalmology\_department

Who teaches Retina and Vitreous?,Dr. Mohit Bhatia teaches retinal diseases and imaging.,ophthalmology\_department

Who allocates teaching schedules?,HODs in coordination with the Academic Director allocate schedules.,academic\_administration

Who assigns faculty to subjects?,The HOD assigns subjects based on specialization and experience.,academic\_administration

How are faculty evaluated?,Through teaching audits student feedback and academic performance reviews.,faculty\_governance

Do faculty participate in research?,Yes faculty supervise UG and PG research and clinical trials.,research\_cell

Are mentors assigned to students?,Yes each student is allotted a faculty mentor for academic guidance.,mentorship\_program

Who coordinates CME programs?,The Medical Education Unit and departmental faculty coordinate CMEs.,medical\_education\_unit

Are visiting professors invited?,Yes experts are invited for guest lectures and workshops.,academic\_programs

How are clinical postings supervised?,By Professors Associate Professors and Senior Residents.,clinical\_training

Who maintains faculty records?,The Registrar and Academic Office maintain faculty service records.,administration

Are faculty involved in examinations?,Yes faculty serve as internal and external examiners.,examination\_cell

Who approves new faculty appointments?,The Governing Body and Academic Council approve appointments.,governance

Are faculty trained in CBME?,Yes through Medical Education Unit workshops and NMC modules.,faculty\_development

Do departments have research labs?,Yes major departments maintain teaching and research laboratories.,infrastructure

Who heads the Medical Education Unit?,A senior Professor nominated by the Dean heads the MEU.,medical\_education\_unit

Are interdepartmental meetings conducted?,Yes for curriculum integration and case discussions.,academic\_council

Is there a faculty promotion policy?,Yes promotions follow NMC and university regulations.,hr\_policy

Are faculty involved in community outreach?,Yes through NSS medical camps and public health programs.,community\_outreach

Who monitors teaching quality?,The Academic Council and MEU monitor teaching standards.,quality\_assurance

Are subject coordinators appointed?,Yes each major subject has a designated coordinator.,academic\_administration

Do departments conduct internal assessments?,Yes faculty conduct theory and practical internal exams.,examination\_cell

Are faculty part of anti-ragging committee?,Yes senior faculty are members of statutory committees.,student\_welfare

Are faculty involved in student counseling?,Yes mentors and psychiatrists provide academic and mental health counseling.,counseling\_cell

Are faculty assigned hostel duties?,Yes wardens and deputy wardens are faculty members.,hostel\_administration

Do faculty participate in conferences?,Yes faculty present papers and attend national and international conferences.,research\_and\_cme

Are faculty part of disaster response?,Yes clinical faculty are part of hospital emergency response teams.,disaster\_management

Are faculty appraised annually?,Yes annual performance appraisal is conducted.,hr\_policy

Are faculty part of curriculum revision?,Yes through Board of Studies and Academic Council.,curriculum\_committee

Do departments maintain logbooks?,Yes faculty verify student logbooks and competencies.,academic\_records

Are faculty trained in simulation?,Yes through skill lab and simulation center programs.,skills\_lab

Who coordinates skill lab training?,Designated faculty from clinical departments coordinate.,skills\_lab

Are interdisciplinary teaching sessions held?,Yes integrated teaching sessions are conducted.,integrated\_curriculum

Are faculty involved in alumni mentoring?,Yes alumni interactions are facilitated by faculty.,alumni\_cell

Are faculty involved in placement guidance?,Yes HODs and mentors guide students for residency and careers.,placement\_cell

Are faculty part of ethics committee?,Yes senior faculty serve on the Institutional Ethics Committee.,ethics\_committee

Are visiting clinicians allowed to teach?,Yes as adjunct faculty and guest lecturers.,academic\_programs

Are faculty responsible for student attendance?,Yes faculty record and monitor attendance.,academic\_records

Are faculty involved in exam paper setting?,Yes they prepare and moderate question papers.,examination\_cell

Are departments audited?,Yes academic and clinical audits are conducted periodically.,quality\_assurance

Are faculty part of grievance redressal?,Yes faculty members are on grievance committees.,student\_grievance

Are faculty required to publish research?,Yes as per NMC promotion and appraisal criteria.,research\_policy

Are faculty assigned clinical duties?,Yes alongside teaching they provide patient care.,clinical\_services

Are faculty involved in telemedicine?,Yes selected faculty participate in teleconsultation services.,digital\_health

Are faculty trained in infection control?,Yes through hospital infection control programs.,infection\_control

Are faculty responsible for student evaluation?,Yes continuous and summative assessments are conducted by faculty.,assessment\_system

Are faculty part of academic planning?,Yes through departmental and institutional planning meetings.,academic\_council

Are faculty appointed as examiners by university?,Yes for theory and practical examinations.,university\_exams

Are faculty involved in policy formulation?,Yes through committees and governing councils.,governance

Are faculty part of orientation programs?,Yes they address and guide newly admitted students.,orientation\_program

Are faculty part of mentorship review meetings?,Yes mentors regularly review student progress.,mentorship\_program

Are faculty involved in skill certification?,Yes competencies are certified by designated faculty.,competency\_based\_training

Are faculty part of continuing education?, Yes they undergo periodic training and CMEs., faculty\_development

Are faculty responsible for maintaining discipline?, Yes along with administration they enforce code of conduct., discipline\_committee

Are faculty part of academic accreditation?, Yes they support inspections and accreditation processes., quality\_assurance

Are faculty involved in international collaborations?, Yes selected faculty coordinate exchange and research programs., international\_relations

Are faculty part of library advisory committee?, Yes to recommend academic resources., library\_committee

Are faculty involved in digital LMS content?, Yes they upload lectures and materials on LMS., digital\_learning

Are faculty responsible for curriculum mapping?, Yes for outcome-based education and competency tracking., curriculum\_committee

Are faculty involved in OSCE and OSPE?, Yes they design and evaluate structured clinical exams., assessment\_system

Are faculty part of student activity committees?, Yes they act as advisors for clubs and sports., student\_affairs

Are faculty trained in communication skills?, Yes through MEU and soft skill workshops., faculty\_development

Are faculty part of research funding committees?, Yes they evaluate and guide funded projects., research\_cell

Are faculty responsible for patient safety training?, Yes clinical faculty train students in safety protocols., patient\_safety

Are faculty part of accreditation visits?, Yes they present departmental data and outcomes., quality\_assurance

Are faculty involved in hospital management meetings?, Yes HODs attend clinical governance meetings., hospital\_administration

Are faculty responsible for updating syllabus?, Yes as per NMC and university revisions., curriculum\_committee

Are faculty part of alumni association?, Yes many faculty serve as advisors to alumni body., alumni\_cell

Are faculty involved in career counseling?,Yes mentors guide PG entrance and fellowship choices.,career\_guidance

Are faculty responsible for student research supervision?,Yes they guide ICMR and dissertation projects.,research\_supervision

Are faculty involved in ethical training?,Yes they teach medical ethics and professionalism.,ethics\_committee

Are faculty part of clinical audit teams?,Yes they conduct morbidity and mortality meetings.,clinical\_governance

Are faculty involved in outreach camps?,Yes they supervise rural and urban health camps.,community\_outreach

Are faculty part of academic reforms?,Yes they contribute to policy and curriculum reforms.,academic\_council

Are faculty involved in simulation assessments?,Yes OSCE and skill station evaluations are conducted.,skills\_lab

Are faculty part of faculty exchange programs?,Yes through national and international collaborations.,international\_relations

Are faculty responsible for student logbook verification?,Yes mentors and subject teachers verify competencies.,academic\_records

Are faculty involved in quality improvement projects?,Yes they lead and supervise QI initiatives.,quality\_assurance

Are faculty part of institutional committees?,Yes faculty serve on statutory and non statutory committees.,governance

## **Examinations & Assessment Rules – Telapathy College of Medical Science (TCMS)**

question,answer,source

What is the minimum attendance required to appear in university examinations?,Students must have at least 75 percent attendance in theory and practical classes to be eligible.,exam\_rules

Is separate attendance required for theory and practical?,Yes attendance is calculated separately for theory and practical components.,exam\_rules

Who grants permission for exam eligibility?,The Head of Department and Dean grant final eligibility approval.,exam\_rules

What happens if attendance is below 75 percent?,The student is detained and not allowed to appear in the examination.,exam\_rules

Is there any relaxation in attendance?,Relaxation is allowed only on medical or genuine grounds with university approval.,exam\_rules

Are internal assessments mandatory?,Yes internal assessment marks are compulsory for appearing in final exams.,exam\_rules

How many internal exams are conducted in a year?,At least two to three internal assessments are conducted per academic year.,exam\_rules

What is the weightage of internal assessment?,Internal assessment usually carries 20 to 30 percent weightage as per university norms.,exam\_rules

Are practical exams conducted separately?,Yes practical and viva voce examinations are conducted separately.,exam\_rules

Who conducts university examinations?,The affiliating Health Sciences University conducts final examinations.,exam\_rules

Are exam question papers set by external examiners?,Yes question papers are moderated by external examiners appointed by the university.,exam\_rules

What is the passing criteria in theory?,Students must score minimum 50 percent including internal and external marks.,exam\_rules

What is the passing criteria in practical?,Students must pass both practical and viva separately with minimum required marks.,exam\_rules

Is revaluation facility available?,Yes students can apply for revaluation as per university rules.,exam\_rules

Is supplementary exam allowed?,Yes supplementary or compartment exams are conducted for failed candidates.,exam\_rules

What is the duration of theory exams?,Theory exams are usually of three hours duration.,exam\_rules

Is negative marking applied?,Negative marking is not applied in descriptive university exams.,exam\_rules

Are objective type questions included?,Yes MCQs and structured questions are included in some papers.,exam\_rules

What is OSCE or OSPE?,Objective Structured Clinical or Practical Examination for skill assessment.,exam\_rules

Is OSCE part of internal assessment?,Yes OSCE is used for formative and summative assessment.,exam\_rules

Who evaluates practical exams?,Internal and external examiners jointly evaluate practical exams.,exam\_rules

Is logbook submission mandatory?,Yes students must submit verified logbooks before practical exams.,exam\_rules

Are skill competencies assessed?,Yes competencies are assessed and certified as per CBME.,exam\_rules

Is exam schedule published in advance?,Yes the university publishes the examination timetable in

advance.,exam\_rules

Is hall ticket required for exams?,Yes admit card or hall ticket is mandatory for entry to examination hall.,exam\_rules

Is biometric verification done during exams?,Yes biometric or identity verification is conducted.,exam\_rules

What is the role of invigilators?,They ensure fair conduct of examination and prevent malpractice.,exam\_rules

What constitutes unfair means?,Copying impersonation use of electronic devices and misconduct.,exam\_rules

What is the punishment for malpractice?,Cancellation of exam and disciplinary action as per university rules.,exam\_rules

Is grace marks policy applicable?,Grace marks may be awarded as per university regulations.,exam\_rules

Are exam results published online?,Yes results are published on the official university website.,exam\_rules

Is rechecking of answer scripts allowed?,Yes rechecking or scrutiny can be requested.,exam\_rules

Is improvement exam allowed?,Yes students may appear for improvement as per norms.,exam\_rules

What is formative assessment?,Continuous assessment during the course for feedback and learning.,exam\_rules

What is summative assessment?,Final assessment conducted at the end of the course.,exam\_rules

Are midterm exams compulsory?,Yes midterm or sessional exams are part of internal assessment.,exam\_rules

Is practical record submission required?,Yes practical records must be submitted and evaluated.,exam\_rules

Are case presentations assessed?,Yes case presentations are part of clinical assessment.,exam\_rules

Is viva voce conducted?,Yes oral examination is conducted for theory and practical.,exam\_rules

Are examiners appointed by university?,Yes external examiners are appointed by the university.,exam\_rules

Is moderation of marks done?,Yes moderation is applied as per university policy.,exam\_rules

Is attendance shortage condonation possible?,Only with valid reasons and competent authority approval.,exam\_rules

Are repeat exams allowed for failed students?,Yes students can reappear in supplementary or next regular exam.,exam\_rules

Is there a maximum number of attempts?,Maximum attempts are governed by university regulations.,exam\_rules

Is internal assessment record maintained?,Yes departments maintain detailed IA records.,exam\_rules

Are students informed about exam rules?,Yes examination rules are explained during orientation.,exam\_rules

Is calculator allowed in exams?,Only if permitted by university for specific papers.,exam\_rules

Is mobile phone allowed in exam hall?,No electronic devices are strictly prohibited.,exam\_rules

Is seating arrangement randomized?,Yes seating is randomized to prevent malpractice.,exam\_rules

Are exam centers within campus?,Yes most exams are conducted within campus premises.,exam\_rules

Is attendance marked during exams?,Yes attendance is recorded for each paper.,exam\_rules

Is late entry allowed in exam hall?,Late entry is allowed only within prescribed time.,exam\_rules

Is extra time provided for PwD candidates?,Yes compensatory time is given as per guidelines.,exam\_rules

Are scribes provided to PwD students?,Yes scribes are provided if approved.,exam\_rules

Is internal assessment mandatory for PG?,Yes PG students must pass internal assessments.,exam\_rules

Is thesis evaluation part of PG exam?,Yes dissertation evaluation is mandatory for PG students.,exam\_rules

Are clinical skills assessed in final exam?,Yes through OSCE OSPE and bedside examination.,exam\_rules

Is attendance in clinical postings compulsory?,Yes minimum attendance in postings is required.,exam\_rules

Are practical exams video recorded?,In some skill labs and OSCE stations for quality assurance.,exam\_rules

Is result review committee constituted?,Yes to address grievances and revaluation issues.,exam\_rules

Is supplementary exam fee applicable?,Yes a prescribed fee is charged.,exam\_rules

Are answer scripts preserved?,Yes for a defined period as per rules.,exam\_rules

Is digital evaluation used?,In some universities digital evaluation is adopted.,exam\_rules

Are students informed about marking scheme?,Yes scheme of valuation is communicated.,exam\_rules

Is question paper blueprint followed?,Yes blueprint ensures balanced coverage.,exam\_rules

Is competency based assessment used?,Yes CBME framework is followed.,exam\_rules

Are formative assessments non punitive?,Yes they are meant for feedback.,exam\_rules

Is internal assessment carry forward allowed?,No IA is valid only for that attempt.,exam\_rules

Are examiners trained for OSCE?,Yes through MEU workshops.,exam\_rules

Is attendance in tutorials counted?,Yes tutorial attendance is included.,exam\_rules

Is skill certification mandatory before final exam?,Yes essential skills must be certified.,exam\_rules

Are mock exams conducted?,Yes for preparation and familiarization.,exam\_rules

Is exam malpractice committee formed?,Yes to investigate unfair means.,exam\_rules

Is exam confidentiality maintained?,Yes strict confidentiality protocols exist.,exam\_rules

Is evaluation double blinded?,In some subjects for quality assurance.,exam\_rules

Are supplementary practical exams conducted?,Yes if required.,exam\_rules

Is clinical logbook part of assessment?,Yes logbook forms part of internal marks.,exam\_rules

Are continuous assessments documented?,Yes records are maintained digitally and manually.,exam\_rules

Is attendance shortage reported to university?,Yes before exam forms are submitted.,exam\_rules

Is exam form submission mandatory?,Yes students must submit exam forms.,exam\_rules

Is late exam form allowed?,Only with late fee and approval.,exam\_rules

Is admit card issued by university?,Yes after verification of eligibility.,exam\_rules

Is re-admission required for detained students?,Yes as per academic regulations.,exam\_rules

Is attendance displayed publicly?,Yes for transparency.,exam\_rules

Are internal marks sent to university?,Yes before final exams.,exam\_rules

Is practical exam conducted before theory?,As per university schedule.,exam\_rules

Is answer sheet barcoded?,Yes for anonymity.,exam\_rules

Is exam conducted under CCTV?,Yes in many centers.,exam\_rules

Is student feedback on exams taken?,Yes for quality improvement.,exam\_rules

Is evaluation grievance redressal available?,Yes through university grievance cell.,exam\_rules

Is academic integrity policy applied?,Yes strict integrity norms are enforced.,exam\_rules

Are repeat attempts recorded in transcript?,Yes attempt details appear in records.,exam\_rules

Is clinical competency log mandatory?,Yes for promotion to next phase.,exam\_rules

Is attendance in seminars counted?,Yes part of academic activity.,exam\_rules

Is formative assessment included in promotion?,Yes continuous performance is considered.,exam\_rules

Is exam calendar aligned with NMC?,Yes as per regulatory guidelines.,exam\_rules

Are examiners oriented before exams?,Yes through briefing sessions.,exam\_rules

Is viva conducted by both internal and external examiners?,Yes jointly.,exam\_rules

Is student identity verified before exam?,Yes through ID and biometrics.,exam\_rules

Are malpractice cases reported to university?,Yes for disciplinary action.,exam\_rules

Is academic progression dependent on exam clearance?,Yes students must clear all subjects.,exam\_rules

Are PG exit exams conducted?,Yes for MD MS courses.,exam\_rules

Is final year result required for internship?,Yes successful completion is mandatory.,exam\_rules

Is internship assessment part of final certification?,Yes performance is evaluated.,exam\_rules

Is attendance during internship mandatory?,Yes full attendance is required.,exam\_rules

Are theory and practical marks combined?,Yes for final result declaration.,exam\_rules

Is pass certificate issued after results?,Yes by the university.,exam\_rules

Is convocation after successful completion?,Yes degrees are awarded in convocation.,exam\_rules

## **Hostel, Discipline & Campus Rules – Telapathy College of Medical Science (TCMS)**

question,answer,source

Is hostel facility available for all students?,Yes separate hostels are available for boys and girls within the campus.,hostel\_rules

Is hostel stay compulsory for first year students?,Yes first year MBBS students are generally required to stay in hostel.,hostel\_rules

Who allots hostel rooms?,The Hostel Warden and Student Affairs Office allot

rooms.,hostel\_administration

Is hostel allotment based on merit?,Allotment is based on availability and institutional policy.,hostel\_rules

Are separate hostels available for PG students?,Yes separate hostels are provided for postgraduate students.,hostel\_rules

Is hostel accommodation provided to interns?,Yes interns are provided hostel accommodation during internship.,hostel\_rules

What is the hostel curfew time for boys?,The curfew time for boys is 11:00 PM.,hostel\_rules

What is the hostel curfew time for girls?,The curfew time for girls is 10:00 PM.,hostel\_rules

Is late entry allowed in hostel?,Late entry is allowed only with prior permission from Warden.,hostel\_rules

Is biometric attendance used in hostels?,Yes biometric or entry register is maintained.,hostel\_rules

Are visitors allowed in hostels?,Visitors are allowed only in designated visiting hours.,hostel\_rules

Are parents allowed to stay in hostel?,No parents are not allowed to stay in student hostels.,hostel\_rules

Is ragging strictly prohibited?,Yes ragging is strictly prohibited under anti-ragging laws.,discipline\_rules

Is there an Anti-Ragging Committee?,Yes an Anti-Ragging Committee and Squad are constituted.,anti\_ragging

What is the punishment for ragging?,Expulsion, suspension, and legal action as per UGC rules.,anti\_ragging

Is anti-ragging affidavit mandatory?,Yes students and parents must submit affidavits.,anti\_ragging

Is smoking allowed on campus?,No smoking is strictly prohibited inside the campus.,discipline\_rules

Is alcohol allowed in hostel?,No alcohol is strictly prohibited.,hostel\_rules

Is drug abuse prohibited?,Yes strict disciplinary and legal action is taken.,discipline\_rules

Is attendance mandatory in classes?,Yes minimum 75 percent attendance is compulsory.,academic\_rules

What happens if attendance is short?,The student may be detained from examinations.,academic\_rules

Is wearing ID card mandatory?,Yes identity card must be worn at all times.,campus\_rules

Is dress code prescribed?,Yes formal dress and white apron are compulsory in labs.,campus\_rules

Is use of mobile phones allowed in class?,No mobile phones are not allowed during lectures.,discipline\_rules

Is silence maintained in library?,Yes strict silence is mandatory.,library\_rules

Is CCTV surveillance present?,Yes campus and hostels are under CCTV surveillance.,security\_rules

Are night-outs allowed?,Only with written permission from parents and Warden.,hostel\_rules

Is outstation leave allowed?,Yes with proper leave application and approval.,hostel\_rules

Are disciplinary committees present?,Yes a Discipline Committee handles misconduct cases.,discipline\_rules

Is plagiarism punishable?,Yes academic misconduct leads to penalties.,academic\_integrity

Is cheating in exams punishable?,Yes it leads to cancellation and disciplinary action.,exam\_rules

Is damage to property punishable?,Yes cost recovery and disciplinary action are taken.,discipline\_rules

Are fire safety drills conducted?,Yes periodic fire and disaster drills are conducted.,safety\_rules

Is emergency medical facility available in hostel?,Yes 24x7 medical support is available.,hostel\_rules

Are mess facilities available?,Yes hygienic mess facilities are provided.,hostel\_rules

Is outside food allowed in hostel?,Restricted and regulated by hostel authorities.,hostel\_rules

Are hostel rooms inspected?,Yes wardens conduct regular inspections.,hostel\_rules

Is loud music allowed?,No noise pollution is prohibited.,discipline\_rules

Are cultural events allowed in hostel?,Yes only with prior permission.,hostel\_rules

Is internet access provided in hostel?,Yes WiFi is available with usage policy.,it\_rules

Is cyber misuse monitored?,Yes IT cell monitors network usage.,it\_rules

Is vehicle parking regulated?,Yes parking areas and passes are defined.,campus\_rules

Is helmet mandatory for two wheelers?,Yes helmet is compulsory.,safety\_rules

Is speed limit enforced inside campus?,Yes speed limits are enforced.,security\_rules

Is night study room available?,Yes common study halls are open at night.,hostel\_rules

Is gym facility available?,Yes gym is available in hostel campus.,sports\_rules

Is gym usage timed?,Yes gym operates in fixed hours.,sports\_rules

Are students allowed to keep electrical appliances?,Only approved appliances are allowed.,hostel\_rules

Is cooking in rooms allowed?,No cooking is strictly prohibited.,hostel\_rules

Are fire extinguishers installed?,Yes in all hostels and buildings.,safety\_rules

Is emergency evacuation plan displayed?,Yes evacuation maps are displayed.,safety\_rules

Is misconduct reported to parents?,Yes serious cases are informed to parents.,discipline\_rules

Is suspension possible for indiscipline?,Yes students may be suspended or expelled.,discipline\_rules

Is bullying treated as misconduct?,Yes bullying is a punishable offense.,discipline\_rules

Is gender sensitivity training conducted?,Yes through orientation and workshops.,student\_welfare

Is hostel attendance taken?,Yes daily attendance is monitored.,hostel\_rules

Is biometric access used in hostels?,Yes for security and monitoring.,security\_rules

Is curfew relaxation allowed for hospital duties?,Yes for night duties and emergencies.,hostel\_rules

Is security available 24x7?,Yes campus security is round the clock.,security\_rules

Is entry of outsiders restricted?,Yes all visitors must be registered.,security\_rules

Is emergency helpline displayed?,Yes emergency contact numbers are displayed.,safety\_rules

Is grievance redressal available for hostel?,Yes hostel grievance committee is functional.,hostel\_administration

Is mental health counseling available?,Yes counseling services are available.,student\_welfare

Is harassment committee constituted?,Yes Internal Complaints Committee is active.,icc\_rules

Is CCTV monitored by security office?,Yes live monitoring is done.,security\_rules

Is campus plastic free?,Yes single use plastic is restricted.,environment\_policy

Is cleanliness drive conducted?,Yes regular sanitation and Swachh Bharat drives.,campus\_rules

Is hostel fee refundable?,As per hostel refund policy.,hostel\_rules

Is mess committee formed?,Yes students and faculty form mess committee.,hostel\_administration

Is food quality monitored?,Yes by mess committee and administration.,hostel\_rules

Is night canteen available?,Yes for students on duty.,hostel\_rules

Is laundry facility available?,Yes laundry services are provided.,hostel\_rules

Is hostel change allowed?,Only with permission and availability.,hostel\_rules

Is disciplinary warning system followed?,Yes warning, fine, suspension hierarchy exists.,discipline\_rules

Is campus entry allowed at night?,Restricted and regulated.,security\_rules

Is alcohol testing done?,Yes surprise checks may be conducted.,discipline\_rules

Is smoking zone allowed?,No smoking is banned in entire campus.,discipline\_rules

Is police verification done for hostel staff?,Yes all staff undergo police verification.,security\_rules

Is first aid available in hostel?,Yes first aid kits and nurses are available.,hostel\_rules

Is ambulance available on campus?,Yes 24x7 ambulance service is available.,safety\_rules

Is disaster management committee present?,Yes for fire, earthquake, and emergency.,safety\_rules

Is code of conduct signed by students?,Yes at the time of admission.,discipline\_rules

Is CCTV footage reviewed in incidents?,Yes for investigation.,security\_rules

Is digital entry pass system used?,Yes in main gates.,security\_rules

Is attendance linked with hostel records?,Yes hostel and academic attendance are cross checked.,hostel\_rules

Is leave record maintained digitally?,Yes in hostel management system.,hostel\_rules

Is hostel discipline linked to academics?,Yes serious misconduct affects academic standing.,discipline\_rules

Is common room available?,Yes with TV and recreation facilities.,hostel\_rules

Is curfew different on weekends?,May vary with special permission.,hostel\_rules

Is celebration of festivals allowed?,Yes under supervision.,hostel\_rules

Is hostel warden available on campus?,Yes wardens reside on campus.,hostel\_administration

Is grievance appeal allowed?,Yes to Dean and Grievance Cell.,student\_welfare

Is campus code of ethics taught?,Yes during induction.,discipline\_rules

Is photography restricted in hospital areas?,Yes patient privacy is protected.,hospital\_rules

Is silence maintained in wards?,Yes to ensure patient comfort.,hospital\_rules

Is entry in ICU restricted?,Yes only authorized persons allowed.,hospital\_rules

Is infection control training mandatory?,Yes for all students.,hospital\_rules

Is hand hygiene compulsory?,Yes strict hand hygiene protocols.,hospital\_rules

Is mask compulsory in hospital?,Yes as per infection control policy.,hospital\_rules

Is hostel safety audit conducted?,Yes periodically.,safety\_rules

Is discipline record maintained?,Yes in student personal file.,discipline\_rules

Is campus alcohol free?,Yes zero tolerance policy.,discipline\_rules

Is hostel committee constituted?,Yes with faculty and student members.,hostel\_administration

Is fine imposed for rule violation?,Yes as per rule book.,discipline\_rules

Is security ID required for entry?,Yes gate pass system is used.,security\_rules

Is night study permitted?,Yes in designated areas.,hostel\_rules

Is library late night access allowed?,Yes during exams.,library\_rules

Is campus entry restricted after midnight?,Yes only emergency access allowed.,security\_rules

Is parental intimation mandatory for suspension?,Yes parents are informed.,discipline\_rules

Is campus discipline governed by university statutes?,Yes and institutional regulations.,discipline\_rules

## **Student Activities, Sports, Clubs, NSS & NCC – Telapathy College of Medical Science (TCMS)**

question,answer,source

What are the major outdoor sports at TCMS?,Cricket football athletics volleyball and basketball are the major outdoor sports.,sports\_activities

What indoor games are available?,Badminton table tennis chess carrom and squash are available.,sports\_activities

Is there an annual sports meet?,Yes an Inter-House Annual Sports Meet is आयोजित every year.,sports\_events

How many houses are there in the house system?,Students are divided into four houses for competitions.,house\_system

What is the purpose of the house system?,It promotes teamwork leadership and healthy competition.,house\_system

Who coordinates sports activities?,The Physical Education Department and Sports Committee coordinate.,sports\_committee

Is there a gymnasium on campus?,Yes a fully equipped gym is available for students.,sports\_facilities

Are yoga and fitness sessions conducted?,Yes regular yoga and fitness sessions are organized.,wellness\_program

Is there a cultural fest?,Yes an annual cultural festival with music dance drama and literary events.,cultural\_events

Who organizes cultural activities?,The Cultural Committee with student coordinators.,cultural\_committee

Are inter-college competitions encouraged?,Yes students participate in inter-college sports and cultural events.,inter\_college\_events

Is there a debate and literary club?,Yes a Literary and Debate Club conducts debates and quizzes.,student\_clubs

Is there a music club?,Yes students can join classical and contemporary music clubs.,student\_clubs

Is there a dance club?,Yes folk and contemporary dance clubs function.,student\_clubs

Is there a photography club?,Yes a Photography and Media Club documents events.,student\_clubs

Is there a research club?,Yes a Research and Innovation Club promotes projects and papers.,student\_clubs

Who are faculty advisors for clubs?,Each club has a designated faculty advisor.,student\_affairs

Are club activities credited academically?,Some activities earn co-curricular credits.,academic\_enrichment

Is there an NSS unit at TCMS?,Yes the college has an active NSS unit.,nss

What activities does NSS conduct?,Health camps blood donation drives cleanliness and awareness programs.,nss

Are rural health camps organized?,Yes NSS and Community Medicine organize rural camps.,community\_outreach

Is there an NCC unit?,Yes an NCC unit conducts parade and leadership training.,ncc

What is the aim of NCC?,To develop discipline leadership and national service.,ncc

Are students sent to NCC camps?,Yes for annual training and national camps.,ncc

Is Red Cross unit present?,Yes a Red Cross unit conducts first aid and humanitarian work.,red\_cross

Are first aid trainings provided?,Yes through Red Cross and hospital staff.,red\_cross

Is there a sports scholarship?,Yes outstanding athletes may receive incentives.,sports\_policy

Are sports facilities open daily?,Yes with fixed morning and evening timings.,sports\_facilities

Is swimming facility available?,If available it is scheduled and supervised.,sports\_facilities

Are intra-house competitions held?,Yes throughout the year in sports and culture.,house\_system

Are annual day celebrations organized?,Yes with academic and cultural awards.,institutional\_events

Is teachers day celebrated?,Yes with student-led programs.,cultural\_events

Is fresher's welcome organized?,Yes under anti-ragging supervision.,student\_welfare

Is farewell organized for final year?,Yes with cultural and academic recognition.,student\_welfare

Are medical conferences for students held?,Yes annual student conferences and CMEs.,academic\_events

Is there a quiz club?,Yes medical and general quizzes are conducted.,student\_clubs

Is there a drama and theatre group?,Yes street plays and stage performances are organized.,student\_clubs

Are social awareness programs conducted?,Yes on health environment and social issues.,nss

Is blood donation camp organized?,Yes regularly by NSS and Red Cross.,nss

Are vaccination drives conducted?,Yes in collaboration with hospital and NSS.,community\_outreach

Is environment day celebrated?,Yes with plantation and awareness drives.,environment\_club

Is there a yoga day celebration?,Yes International Yoga Day is observed.,wellness\_program

Are sports trials conducted for teams?,Yes before inter-college tournaments.,sports\_committee

Is there a student council?,Yes elected student representatives form the council.,student\_governance

What is the role of student council?,To represent students and coordinate activities.,student\_governance

Are leadership workshops conducted?,Yes through NCC NSS and student council.,leadership\_program

Is there an entrepreneurship cell?,Yes to promote startups and innovation.,student\_clubs  
Are hackathons or tech events held?,Yes interdisciplinary innovation events are conducted.,academic\_events  
Is there a language club?,Yes to promote communication and soft skills.,student\_clubs  
Are soft skill trainings organized?,Yes through career guidance and placement cell.,career\_guidance  
Is there a career counseling cell?,Yes it guides PG entrance and fellowships.,career\_guidance  
Are alumni interactions organized?,Yes alumni talks and mentorship programs.,alumni\_cell  
Is there a sports day award ceremony?,Yes medals and trophies are awarded.,sports\_events  
Are cultural competitions judged by professionals?,Yes invited judges evaluate performances.,cultural\_events  
Is there an annual magazine?,Yes students publish an institutional magazine.,student\_publications  
Is there a newsletter?,Yes monthly digital newsletter is released.,student\_publications  
Are community radio or media activities present?,If available students participate in health programs.,media\_club  
Is there a trekking or adventure club?,Yes for outdoor and leadership activities.,student\_clubs  
Are inter-house debates conducted?,Yes as part of literary activities.,house\_system  
Is there a film and media club?,Yes screenings and discussions are organized.,student\_clubs  
Are mental health awareness programs held?,Yes by Psychiatry department and counselors.,student\_welfare  
Is there a women's cell?,Yes for gender sensitization and support.,women\_cell  
Are self-defense workshops conducted?,Yes for safety and empowerment.,student\_welfare  
Is there a coding or AI club?,Yes interdisciplinary tech clubs exist.,student\_clubs  
Are sports coaches appointed?,Yes qualified coaches train teams.,sports\_facilities  
Is there a physiotherapy support for athletes?,Yes hospital physiotherapy unit supports.,sports\_medicine  
Are annual cultural themes selected?,Yes each year a theme is chosen.,cultural\_events  
Are inter-university fests attended?,Yes selected teams represent the college.,inter\_college\_events  
Is there a volunteer program during disasters?,Yes NSS and NCC mobilize volunteers.,disaster\_response  
Are public health rallies organized?,Yes on TB HIV and vaccination awareness.,community\_outreach  
Is there a book club?,Yes reading and discussion sessions are held.,student\_clubs  
Are art and painting exhibitions organized?,Yes by Fine Arts Club.,student\_clubs  
Is there a meditation room?,Yes for mindfulness and stress relief.,wellness\_program  
Are sports injuries managed on campus?,Yes through emergency and orthopedics units.,sports\_medicine  
Is there an annual research day?,Yes student research is showcased.,academic\_events  
Are interdepartmental sports leagues held?,Yes friendly tournaments are organized.,sports\_events  
Is there a green campus initiative?,Yes eco-club leads sustainability drives.,environment\_club  
Are charity drives conducted?,Yes for community and disaster relief.,nss  
Is there a public speaking club?,Yes to improve communication skills.,student\_clubs  
Are leadership positions elected?,Yes house captains and council leaders.,student\_governance

Is there a student grievance forum?,Yes regular open house meetings.,student\_welfare

Are night cultural practices allowed?,Only with permission and supervision.,campus\_rules

Is participation in activities encouraged academically?,Yes holistic development is promoted.,academic\_policy

Are certificates issued for participation?,Yes for sports and cultural achievements.,student\_records

Are international student exchange activities present?,Yes through collaborations.,international\_relations

Is there a medical innovation challenge?,Yes problem-solving competitions are held.,research\_club

Are community nutrition programs conducted?,Yes by Community Medicine and NSS.,community\_outreach

Is there an annual marathon?,Yes for health awareness.,sports\_events

Are inter-house cultural weeks organized?,Yes with multiple competitions.,house\_system

Is there a photography exhibition?,Yes annual exhibition by Media Club.,student\_clubs

Are student volunteers part of hospital services?,Yes during camps and emergencies.,hospital\_volunteering

Is there a peer tutoring program?,Yes senior students mentor juniors.,academic\_support

Are sports facilities accessible to all?,Yes with booking and schedules.,sports\_facilities

Are cultural rehearsals supervised?,Yes by faculty advisors.,cultural\_committee

Is there an annual awards night?,Yes academic sports and cultural awards are given.,institutional\_events

Is participation in NSS mandatory?,As per university credit requirements.,nss

Is NCC optional?,Yes students can opt voluntarily.,ncc

Are attendance credits given for activities?,Yes co-curricular credits may apply.,academic\_policy

Is there a student help desk?,Yes for activity registration and support.,student\_affairs

Is there a wellness week?,Yes with health talks and activities.,wellness\_program

Are anti-drug awareness programs conducted?,Yes through NSS and Psychiatry.,student\_welfare

Is there a blood group registry?,Yes maintained by Red Cross unit.,red\_cross

Are inter-house trophies maintained?,Yes rolling trophies are awarded.,house\_system

Is there a sports calendar?,Yes annual calendar is published.,sports\_committee

Are cultural auditions conducted?,Yes for team selection.,cultural\_committee

Is there a student innovation fund?,Yes small grants for projects.,research\_club

Are community cleanliness drives held?,Yes under Swachh Bharat initiatives.,nss

Is there a public health poster competition?,Yes annually.,academic\_events

Are disaster mock drills conducted?,Yes with NCC and hospital teams.,disaster\_response

Are language workshops conducted?,Yes for communication skills.,student\_clubs

Is there a mentoring week for freshers?,Yes orientation and mentoring sessions.,student\_welfare

Are inter-house quizzes organized?,Yes academic and general quizzes.,house\_system

Is there a student-run clinic camp?,Yes supervised by faculty.,community\_outreach

Are sports uniforms provided?,Yes for official teams.,sports\_facilities

Is there a student activity portal?,Yes online registration and updates.,digital\_services

Are achievements displayed on notice boards?,Yes for motivation and recognition.,student\_records  
 Are faculty mentors present during events?,Yes for guidance and safety.,student\_affairs  
 Is there an annual cultural parade?,Yes during foundation day.,institutional\_events  
 Are inter-school outreach programs done?,Yes health awareness in schools.,community\_outreach  
 Are students encouraged for national competitions?,Yes with travel and support.,sports\_committee  
 Is there a wellness counseling helpline?,Yes for stress and mental health.,student\_welfare  
 Are eco-friendly events promoted?,Yes plastic-free and green protocols.,environment\_club  
 Is there a student radio or podcast?,If available students host health talks.,media\_club  
 Are sports and cultural points combined for house ranking?,Yes cumulative points decide house  
 championship.,house\_system

## **Labs, Library & Research Facilities – Telapathy College of Medical Science (TCMS)**

question,answer,source

Does TCMS have separate laboratories for pre-clinical subjects?,Yes Anatomy Physiology and Biochemistry have dedicated teaching and research labs.,infrastructure\_labs  
 Is there a dissection hall in Anatomy?,Yes a fully equipped dissection hall with cadaver storage and ventilation.,anatomy\_lab  
 Are histology labs available?,Yes microscopic and slide preparation labs are available.,anatomy\_lab  
 Is a skill lab present for clinical training?,Yes a central skill and simulation lab is available.,skills\_lab  
 What facilities are available in the skill lab?,Mannequins simulators procedure stations and OSCE setup.,skills\_lab  
 Is there a pathology diagnostic lab?,Yes with histopathology cytology and hematology sections.,pathology\_lab  
 Is microbiology culture lab available?,Yes for bacteriology virology and mycology.,microbiology\_lab  
 Are biosafety cabinets present?,Yes for handling infectious samples.,microbiology\_lab  
 Is a pharmacology experimental lab available?,Yes for drug demonstration and simulation.,pharmacology\_lab  
 Is a forensic medicine lab present?,Yes with autopsy room and toxicology lab.,forensic\_lab  
 Are community medicine field labs available?,Yes for epidemiology and biostatistics training.,community\_medicine\_lab  
 Is a clinical biochemistry lab functional?,Yes for routine and advanced diagnostics.,biochemistry\_lab  
 Are radiology imaging labs available?,Yes CT MRI X-ray and ultrasound units.,radiology\_department  
 Is a cath lab present?,Yes for interventional cardiology.,cardiology\_unit  
 Are operation theatres equipped for teaching?,Yes with audio-visual and live demonstration.,surgery\_department

Is an ICU training facility available?,Yes medical surgical and neonatal ICUs.,critical\_care\_unit

Are simulation based assessments conducted?,Yes through OSCE and skill stations.,skills\_lab

Is there a central research laboratory?,Yes for molecular biology and translational research.,research\_facilities

Are PCR and ELISA labs available?,Yes for molecular diagnostics and research.,research\_facilities

Is there an animal house for research?,Yes maintained as per CPCSEA norms.,research\_facilities

Is an Institutional Ethics Committee present?,Yes for approval of research protocols.,ethics\_committee

Are clinical trials conducted at TCMS?,Yes approved trials are conducted under regulations.,research\_cell

Is a Medical Education Unit available?,Yes for faculty training and curriculum development.,meu

Does the library have a digital section?,Yes with e-journals and databases.,library\_services

How many volumes are in the central library?,Over fifty thousand medical books and references.,library\_services

Is there access to online journals?,Yes through PubMed Scopus and other databases.,library\_services

Are reading halls open 24x7?,Yes during examination periods.,library\_services

Is there a separate PG library?,Yes with specialty reference books.,library\_services

Is plagiarism software available?,Yes for thesis and research checking.,research\_policy

Are thesis submission guidelines provided?,Yes by university and research cell.,research\_cell

Is there a biostatistics support unit?,Yes to assist in research design and analysis.,research\_facilities

Is there a central instrumentation facility?,Yes shared advanced equipment is available.,research\_facilities

Are lab safety trainings conducted?,Yes regularly for students and staff.,safety\_rules

Is a blood bank available?,Yes licensed blood bank with component separation.,hospital\_services

Is a tissue culture lab present?,Yes for cell line research.,research\_facilities

Is there a telemedicine unit?,Yes for remote consultation and teaching.,digital\_health

Is a library orientation given to freshers?,Yes during induction.,library\_services

Are RFID systems used in library?,Yes for book tracking and issue.,library\_services

Is there an institutional repository?,Yes for theses and publications.,digital\_library

Are faculty publications indexed?,Yes in national and international journals.,research\_output

Is there a conference hall for academic events?,Yes multiple seminar halls with AV systems.,infrastructure

Are virtual classrooms available?,Yes with smart boards and video conferencing.,digital\_learning

Is WiFi available in labs and library?,Yes campus wide high speed internet.,it\_services

Are safety showers and eye wash stations installed?,Yes in chemical and microbiology labs.,safety\_rules

Is waste disposal managed as per biomedical rules?,Yes through authorized agencies.,bio\_medical\_waste

Is there a library advisory committee?,Yes for resource selection.,library\_committee

Are interlibrary loans available?,Yes through networked libraries.,library\_services

Is there a research grant cell?,Yes to facilitate funded projects.,research\_cell

Are student research projects encouraged?,Yes ICMR and institutional projects.,research\_policy

Is there a statistics software facility?,Yes SPSS and R are available.,research\_facilities

Is there a computer lab for students?,Yes with internet and academic software.,it\_services

Are cadaver preservation facilities modern?,Yes with refrigeration and embalming units.,anatomy\_lab

Is there a museum in Anatomy?,Yes with specimens and models.,anatomy\_lab

Are pathology slides digitized?,Yes for virtual microscopy.,pathology\_lab

Is a central sterile services department available?,Yes for hospital infection control.,hospital\_services

Is there a nursing skill lab?,Yes for clinical procedure training.,nursing\_facilities

Is there a pharmacovigilance center?,Yes for adverse drug reaction monitoring.,pharmacology\_department

Is there a research mentoring program?,Yes faculty guide student researchers.,research\_cell

Is there an innovation and incubation center?,Yes for medical technology projects.,innovation\_cell

Is there a library mobile app?,Yes for search and renewals.,library\_services

Are quiet study zones available?,Yes in library and hostels.,library\_services

Is there a separate journal section?,Yes current and bound volumes.,library\_services

Is there a librarian support desk?,Yes for reference and training.,library\_services

Are safety audits conducted in labs?,Yes periodically.,quality\_assurance

Is there a simulation control room?,Yes for monitoring training sessions.,skills\_lab

Are cadaver donation programs conducted?,Yes through Anatomy department.,anatomy\_lab

Is there a cold room facility?,Yes for specimen storage.,research\_facilities

Is there a histopathology museum?,Yes for teaching and demonstration.,pathology\_lab

Are research workshops conducted?,Yes on methodology and ethics.,research\_cell

Is there a central photography and media lab?,Yes for academic documentation.,media\_services

Are smart classrooms available?,Yes in major lecture halls.,digital\_learning

Is there an examination control room?,Yes for digital evaluation and records.,exam\_cell

Are virtual dissection tables available?,Yes in advanced anatomy lab.,anatomy\_lab

Is there a language lab?,Yes for communication skills.,academic\_support

Is there a library late night access policy?,Yes during exams.,library\_services

Is there a journal club?,Yes in each department.,research\_cell

Are animal experiments regulated?,Yes under CPCSEA and ethics approval.,research\_policy

Is there a biobank?,Yes for research samples.,research\_facilities

Are advanced microscopes available?,Yes confocal and electron microscopes.,research\_facilities

Is there a central IT support unit?,Yes for LMS and digital systems.,it\_services

Are thesis defenses conducted in seminar halls?,Yes with faculty panels.,research\_cell

Is there a research collaboration office?,Yes for national and international projects.,international\_relations

Is there a digital archive of lectures?,Yes on LMS.,digital\_learning

Are student lab manuals provided?,Yes for each subject.,academic\_records  
Is there a library book bank for needy students?,Yes under welfare schemes.,student\_welfare  
Are copyright and access policies followed?,Yes as per library regulations.,library\_services  
Is there a fire safety system in labs?,Yes alarms and extinguishers.,safety\_rules  
Is there a research ethics training module?,Yes mandatory for PGs.,ethics\_committee  
Are specimen labeling and tracking systems used?,Yes with barcodes.,pathology\_lab  
Is there a central animal imaging facility?,Yes for research studies.,research\_facilities  
Is there a research data management system?,Yes digital repository.,it\_services  
Are interdepartmental research meetings held?,Yes regularly.,research\_cell  
Is there a mentorship for grant writing?,Yes senior faculty guide.,research\_cell  
Is there a clinical skills certification center?,Yes within skill lab.,skills\_lab  
Are students trained in lab quality control?,Yes as part of practical training.,quality\_assurance  
Is there a molecular pathology unit?,Yes for advanced diagnostics.,pathology\_lab  
Are virtual reality simulators used?,Yes in surgical and anesthesia training.,skills\_lab  
Is there a library user education program?,Yes for database searching.,library\_services  
Are international journals subscribed?,Yes in print and digital form.,library\_services  
Is there a common research equipment booking system?,Yes through central facility.,research\_facilities  
Is there a student innovation showcase?,Yes annual exhibition.,innovation\_cell  
Is there a translational research wing?,Yes linking lab and clinical work.,research\_facilities  
Is there a bioinformatics lab?,Yes for genomic data analysis.,research\_facilities  
Are clinical databases maintained?,Yes for audit and research.,hospital\_services  
Is there a central animal ethics committee?,Yes for animal research oversight.,ethics\_committee  
Is there a laboratory information system?,Yes for reporting and records.,it\_services  
Is there a central imaging archive?,Yes PACS system.,radiology\_department  
Are faculty trained in research methodology?,Yes through workshops.,faculty\_development  
Is there a central storage for hazardous chemicals?,Yes as per safety norms.,safety\_rules  
Are mock research presentations conducted?,Yes for PGs.,research\_cell  
Is there a grant management office?,Yes for fund utilization and reporting.,research\_cell  
Is there a central library reading app?,Yes for e-books.,library\_services  
Are open access resources promoted?,Yes through library guides.,library\_services  
Is there a research policy document?,Yes approved by Academic Council.,research\_policy  
Is there a clinical audit room?,Yes for review meetings.,quality\_assurance  
Is there a central seminar complex?,Yes for conferences and CMEs.,infrastructure  
Is there a student help desk in library?,Yes for assistance.,library\_services  
Is there a central cold chain facility?,Yes for vaccines and samples.,research\_facilities  
Is there a data privacy policy for research?,Yes approved by ethics committee.,research\_policy  
Is there a repository of completed theses?,Yes in digital library.,digital\_library  
Are lab equipment calibrated regularly?,Yes as per quality standards.,quality\_assurance

Is there a central microscopy facility?,Yes shared across departments.,research\_facilities

Are interdisciplinary labs encouraged?,Yes for collaborative projects.,research\_cell

Is there a central workshop for equipment maintenance?,Yes for technical support.,infrastructure

Are research seminars mandatory for PGs?,Yes as part of curriculum.,academic\_rules

Is there a central biostatistics lab?,Yes for data analysis training.,research\_facilities

Is there a research publication cell?,Yes for journal support.,research\_cell

Are student research awards given?,Yes annually.,research\_output

Is there a clinical data warehouse?,Yes for analytics and research.,digital\_health

Is there a central simulation command center?,Yes for coordinated training.,skills\_lab

Is there a library grievance mechanism?,Yes through library committee.,library\_services

Is there a central ethics training portal?,Yes online modules.,ethics\_committee

Is there a central procurement for lab equipment?,Yes through purchase committee.,administration

Is there a biomedical engineering support unit?,Yes for equipment maintenance.,hospital\_services

Are green lab practices followed?,Yes energy and waste reduction.,environment\_policy

Is there a central storage for radioactive materials?,Yes as per AERB norms.,radiology\_department

Is there a library study carrel system?,Yes individual study cubicles.,library\_services

Is there a central audiovisual recording studio?,Yes for lectures and CMEs.,digital\_learning

Is there a clinical research unit?,Yes for patient-based studies.,research\_cell

Are students trained in good clinical practice?,Yes GCP workshops are conducted.,research\_policy

Are international databases accessible?,Yes through institutional subscriptions.,library\_services

Is there a central animal surgery facility?,Yes for experimental procedures.,research\_facilities

Is there a lab accreditation program?,Yes NABL and quality initiatives.,quality\_assurance

Is there a research collaboration MoU system?,Yes with national and international institutes.,international\_relations

Is there a central repository for datasets?,Yes for research and teaching.,digital\_library

Is there a student research ethics orientation?,Yes mandatory before projects.,ethics\_committee

Is there a library book suggestion system?,Yes for faculty and students.,library\_services

Is there a central clinical skills assessment lab?,Yes OSCE stations.,skills\_lab

Is there a central conference management system?,Yes for academic events.,infrastructure

Is there a research mentoring cell?,Yes senior faculty mentor juniors.,research\_cell

Is there a central instrumentation booking portal?,Yes online system.,research\_facilities

Is there a library quiet zone enforcement?,Yes monitored by staff.,library\_services

Is there a central IT security for research data?,Yes encryption and access control.,it\_services

Is there a central innovation challenge?,Yes annual competition.,innovation\_cell

Is there a lab safety manual?,Yes provided to all users.,safety\_rules

Is there a central biomedical waste treatment facility?,Yes authorized disposal system.,bio\_medical\_waste

Is there a central research quality assurance committee?,Yes to monitor standards.,quality\_assurance

Is there a central data analytics lab?,Yes for epidemiology and research.,research\_facilities

Is there a central learning resource center?,Yes integrating library and digital tools.,library\_services

Is there a central simulation curriculum?,Yes aligned with CBME.,skills\_lab

Is there a central research funding database?,Yes for tracking grants.,research\_cell

Is there a central academic publishing support?,Yes for editing and submission.,research\_cell

Is there a central ethics approval tracking system?,Yes online portal.,ethics\_committee

Is there a central lab animal breeding facility?,Yes under regulatory norms.,research\_facilities

Is there a central laboratory quality management system?,Yes SOPs and audits.,quality\_assurance

Is there a central clinical data registry?,Yes for teaching and research.,hospital\_services

Is there a central open access policy?,Yes encouraging repository deposit.,library\_services

Is there a central research collaboration platform?,Yes for interdisciplinary work.,research\_cell

Is there a central student research showcase?,Yes annual event.,research\_output

Is there a central laboratory training program?,Yes for technical staff and students.,faculty\_development

Is there a central simulation maintenance team?,Yes for equipment upkeep.,skills\_lab

Is there a central research integrity office?,Yes to handle misconduct.,research\_policy

Is there a central academic resource portal?,Yes for lecture notes and videos.,digital\_learning

Is there a central clinical skills log system?,Yes digital competency tracking.,academic\_records

Is there a central library user feedback system?,Yes for service improvement.,library\_services

Is there a central research policy review committee?,Yes under Academic Council.,governance

Is there a central lab emergency response plan?,Yes for spills and accidents.,safety\_rules

Is there a central research communication office?,Yes for press and dissemination.,research\_cell

Is there a central innovation patent support?,Yes for IP filing.,innovation\_cell

Is there a central academic audit for labs?,Yes periodic review.,quality\_assurance

Is there a central digital repository backup?,Yes secure data backup.,it\_services

Is there a central animal welfare monitoring?,Yes by ethics committee.,ethics\_committee

Is there a central library accessibility service?,Yes for differently abled users.,library\_services

Is there a central skill certification registry?,Yes maintained by MEU.,medical\_education\_unit

Is there a central research collaboration with industry?,Yes through MoUs.,international\_relations

Is there a central training on lab accreditation standards?,Yes for faculty and staff.,quality\_assurance

Is there a central e-learning content creation unit?,Yes studio and LMS team.,digital\_learning

Is there a central academic performance analytics?,Yes for quality improvement.,quality\_assurance

Is there a central research data sharing policy?,Yes as per ethics and privacy.,research\_policy

Is there a central library disaster recovery plan?,Yes for fire and flood.,safety\_rules

Is there a central simulation-based exam center?,Yes for OSCE and skill tests.,skills\_lab

Is there a central biomedical research park?,Planned for advanced translational research.,research\_facilities

Is there a central faculty research incentive scheme?,Yes for publications and grants.,research\_policy

Is there a central student research travel grant?,Yes for conferences.,student\_welfare

Is there a central library inter-campus access?,Yes through university network.,library\_services

Is there a central academic IT helpdesk?,Yes for LMS and digital tools.,it\_services

Is there a central lab procurement committee?,Yes for equipment purchase.,administration

Is there a central clinical trial monitoring board?,Yes for oversight.,ethics\_committee

Is there a central animal quarantine facility?,Yes as per norms.,research\_facilities

Is there a central digital microscope sharing?,Yes for teaching and research.,pathology\_lab

Is there a central research communication training?,Yes science writing workshops.,research\_cell

Is there a central safety committee for labs?,Yes to enforce protocols.,safety\_rules

Is there a central academic resource sharing policy?,Yes across departments.,academic\_policy

Is there a central research mentorship database?,Yes mapping mentors and scholars.,research\_cell

Is there a central innovation funding seed?,Yes for prototype development.,innovation\_cell

Is there a central library extended hours during exams?,Yes 24x7 access.,library\_services

Is there a central clinical simulation debrief room?,Yes for feedback sessions.,skills\_lab

Is there a central data privacy officer for research?,Yes appointed by institution.,research\_policy

Is there a central equipment calibration lab?,Yes for quality assurance.,quality\_assurance

Is there a central virtual library access off-campus?,Yes through VPN.,library\_services

Is there a central faculty research performance dashboard?,Yes for monitoring output.,quality\_assurance

Is there a central clinical research training curriculum?,Yes mandatory for PGs.,research\_policy

Is there a central innovation showcase day?,Yes annual event.,innovation\_cell

Is there a central digital thesis submission system?,Yes through university portal.,digital\_library

Is there a central academic integrity training module?,Yes for students and faculty.,academic\_integrity

Is there a central laboratory waste segregation system?,Yes color coded and regulated.,bio\_medical\_waste

Is there a central simulation lab scheduling software?,Yes for booking sessions.,skills\_lab

Is there a central research ethics hotline?,Yes for reporting concerns.,ethics\_committee

Is there a central library reading promotion program?,Yes book talks and clubs.,library\_services

Is there a central interdisciplinary research cluster?,Yes thematic research groups.,research\_cell

Is there a central lab accident reporting system?,Yes for safety tracking.,safety\_rules

Is there a central clinical skills assessment policy?,Yes aligned with CBME.,academic\_rules

Is there a central research collaboration with public health agencies?,Yes through MoUs.,international\_relations

Is there a central digital learning analytics system?,Yes for student engagement.,digital\_learning

Is there a central faculty training on new lab technologies?,Yes through workshops.,faculty\_development

Is there a central library collection development policy?,Yes approved by committee.,library\_services

Is there a central research dissemination platform?,Yes website and journals.,research\_cell

Is there a central simulation instructor certification?,Yes for faculty.,medical\_education\_unit

Is there a central quality control for lab reports?,Yes through audits.,quality\_assurance

Is there a central student research mentorship week?,Yes orientation and matching.,research\_cell

Is there a central library accessibility for visually impaired?,Yes screen readers and resources.,library\_services

Is there a central research data archiving system?,Yes secure long term storage.,digital\_library

Is there a central academic innovation lab?,Yes for educational technology.,innovation\_cell

Is there a central lab fire drill?,Yes periodic drills.,safety\_rules

Is there a central clinical audit database?,Yes for quality improvement.,quality\_assurance

Is there a central library orientation video?,Yes available online.,library\_services

Is there a central research compliance office?,Yes for regulatory adherence.,research\_policy

Is there a central simulation-based faculty assessment?,Yes for teaching skills.,medical\_education\_unit

Is there a central laboratory inventory system?,Yes digital tracking.,it\_services

Is there a central research ethics annual report?,Yes published by committee.,ethics\_committee

Is there a central academic resource sharing portal?,Yes for notes and slides.,digital\_learning

Is there a central lab waste audit?,Yes for compliance.,bio\_medical\_waste

Is there a central clinical research patient registry?,Yes for trials.,research\_cell

Is there a central library mobile notification service?,Yes for due dates and events.,library\_services

Is there a central simulation emergency response drill?,Yes for training.,skills\_lab

Is there a central research mentorship award?,Yes for outstanding guidance.,research\_output

Is there a central academic digital badge system?,Yes for skills certification.,digital\_learning

Is there a central laboratory safety committee?,Yes overseeing compliance.,safety\_rules

Is there a central research collaboration portal?,Yes for project matching.,research\_cell

Is there a central library user satisfaction survey?,Yes conducted annually.,library\_services

Is there a central simulation-based curriculum review?,Yes by MEU.,medical\_education\_unit

Is there a central data governance policy for research?,Yes approved by council.,research\_policy

Is there a central academic resource digitization program?,Yes ongoing.,digital\_library

Is there a central lab emergency contact display?,Yes in all labs.,safety\_rules

Is there a central clinical skills faculty training program?,Yes through MEU.,faculty\_development

Is there a central research outreach program?,Yes public lectures and workshops.,research\_cell

Is there a central library research support desk?,Yes for systematic reviews.,library\_services

Is there a central simulation equipment upgrade plan?,Yes periodic modernization.,skills\_lab

Is there a central research quality metrics dashboard?,Yes for monitoring output.,quality\_assurance

Is there a central academic innovation grant?,Yes for teaching projects.,innovation\_cell

Is there a central lab accreditation roadmap?,Yes NABL and ISO plans.,quality\_assurance

Is there a central library digital preservation policy?,Yes for long term access.,digital\_library

Is there a central research collaboration with NGOs?,Yes community health projects.,international\_relations

Is there a central simulation-based interprofessional training?,Yes with nursing and allied health.,skills\_lab

Is there a central academic resource curation team?,Yes for LMS content.,digital\_learning

Is there a central laboratory safety training certification?,Yes mandatory.,safety\_rules

Is there a central research mentorship network?,Yes across departments.,research\_cell

Is there a central library open access publishing fund?,Yes for APC support.,library\_services

Is there a central simulation lab research program?,Yes educational research.,skills\_lab

Is there a central academic data analytics for curriculum?,Yes outcome tracking.,quality\_assurance

Is there a central lab emergency spill kit?,Yes in chemical labs.,safety\_rules

Is there a central research integrity policy?,Yes enforced institutionally.,research\_policy

Is there a central library extended digital hours?,Yes 24x7 e-resources.,library\_services

Is there a central simulation instructor training module?,Yes for new faculty.,medical\_education\_unit

Is there a central academic resource licensing policy?,Yes for software and databases.,it\_services

Is there a central research compliance training?,Yes for investigators.,research\_policy

Is there a central lab safety signage?,Yes displayed in all labs.,safety\_rules

Is there a central library learning commons?,Yes collaborative spaces.,library\_services

Is there a central simulation quality assurance audit?,Yes periodic review.,quality\_assurance

Is there a central academic innovation showcase?,Yes annual exhibition.,innovation\_cell

Is there a central research collaboration with government agencies?,Yes through funded projects.,international\_relations

Is there a central lab equipment sharing policy?,Yes across departments.,academic\_policy

Is there a central library knowledge management system?,Yes digital repository.,digital\_library

Is there a central simulation-based exam blueprint?,Yes aligned with curriculum.,assessment\_system

Is there a central research data ethics training?,Yes mandatory.,ethics\_committee

Is there a central academic resource update schedule?,Yes periodic review.,library\_services

Is there a central lab safety compliance report?,Yes annual report.,safety\_rules

Is there a central simulation maintenance log?,Yes documented.,skills\_lab

Is there a central research mentorship orientation?,Yes for new scholars.,research\_cell

Is there a central library digital literacy program?,Yes training sessions.,library\_services

Is there a central academic resource copyright policy?,Yes compliance ensured.,library\_services

Is there a central simulation-based remediation program?,Yes for skill gaps.,skills\_lab

Is there a central research collaboration evaluation?,Yes periodic review.,research\_cell

Is there a central lab emergency drill schedule?,Yes announced and conducted.,safety\_rules

Is there a central library user training calendar?,Yes published.,library\_services

Is there a central simulation curriculum mapping?,Yes aligned with CBME.,skills\_lab

Is there a central research quality improvement plan?,Yes monitored.,quality\_assurance

Is there a central academic resource archiving policy?,Yes long term storage.,digital\_library

Is there a central lab safety incident reporting system?,Yes digital portal.,safety\_rules

Is there a central simulation-based faculty peer review?,Yes for teaching quality.,medical\_education\_unit

Is there a central research collaboration dissemination plan?,Yes conferences and journals.,research\_cell

Is there a central library accessibility audit?,Yes periodic.,library\_services

Is there a central academic resource integration with LMS?,Yes full integration.,digital\_learning

Is there a central lab safety training record system?,Yes maintained.,safety\_rules

Is there a central simulation program accreditation?,Yes aligned with standards.,quality\_assurance

Is there a central research mentorship feedback system?,Yes surveys and reviews.,research\_cell

Is there a central library e-resource usage analytics?,Yes monitored.,library\_services

Is there a central academic resource disaster recovery?,Yes backups and plans.,it\_services

Is there a central lab chemical inventory system?,Yes digital tracking.,it\_services

Is there a central simulation instructor credentialing?,Yes certified.,medical\_education\_unit

Is there a central research compliance audit?,Yes periodic.,research\_policy

Is there a central library space utilization study?,Yes for planning.,library\_services

Is there a central academic resource funding plan?,Yes budget allocation.,administration

Is there a central lab equipment life cycle management?,Yes procurement to disposal.,quality\_assurance

Is there a central simulation research ethics approval?,Yes through IEC.,ethics\_committee

Is there a central research collaboration MoU registry?,Yes maintained.,international\_relations

Is there a central library collection gap analysis?,Yes periodic.,library\_services

Is there a central academic resource performance indicators?,Yes KPIs tracked.,quality\_assurance

Is there a central lab safety compliance training?,Yes mandatory.,safety\_rules

Is there a central simulation-based interdepartmental drills?,Yes collaborative.,skills\_lab

Is there a central research mentorship recognition?,Yes awards.,research\_output

Is there a central library digital preservation audit?,Yes periodic.,digital\_library

Is there a central academic resource sustainability plan?,Yes eco-friendly practices.,environment\_policy

Is there a central lab waste minimization program?,Yes segregation and reduction.,bio\_medical\_waste

Is there a central simulation program evaluation?,Yes annual review.,quality\_assurance

Is there a central research collaboration impact assessment?,Yes outcome analysis.,research\_cell

Is there a central library service quality audit?,Yes feedback and review.,library\_services

Is there a central academic resource innovation roadmap?,Yes strategic plan.,innovation\_cell

Is there a central lab safety compliance officer?,Yes designated.,safety\_rules

Is there a central simulation program funding?,Yes institutional support.,administration

Is there a central research mentorship database update?,Yes continuous.,research\_cell

Is there a central library digital access policy?,Yes off-campus VPN.,library\_services

Is there a central academic resource governance committee?,Yes oversight.,governance

Is there a central lab safety performance dashboard?,Yes monitoring.,quality\_assurance

Is there a central simulation-based assessment policy?,Yes approved.,assessment\_system

Is there a central research collaboration training?,Yes for faculty and students.,research\_cell

Is there a central library user support ticketing?,Yes online system.,library\_services

Is there a central academic resource content review cycle?,Yes periodic.,digital\_learning

Is there a central lab safety compliance certification?,Yes required.,safety\_rules

Is there a central simulation-based curriculum review board?,Yes MEU.,medical\_education\_unit

Is there a central research mentorship evaluation?,Yes periodic.,research\_cell

Is there a central library resource sharing network?,Yes with partner institutes.,library\_services

Is there a central academic resource usage policy?,Yes fair use.,library\_services

Is there a central lab safety emergency response team?,Yes trained.,safety\_rules

Is there a central simulation program strategic plan?,Yes long term.,skills\_lab

Is there a central research collaboration governance?,Yes MoU oversight.,governance

Is there a central library service continuity plan?,Yes backup and recovery.,library\_services

Is there a central academic resource quality benchmarks?,Yes defined.,quality\_assurance

Is there a central lab safety audit schedule?,Yes annual.,safety\_rules

Is there a central simulation program innovation fund?,Yes pilot projects.,innovation\_cell

Is there a central research mentorship succession plan?,Yes continuity.,research\_cell

Is there a central library user engagement program?,Yes workshops.,library\_services

Is there a central academic resource interoperability?,Yes integrated systems.,it\_services

Is there a central lab safety compliance reporting?,Yes periodic reports.,safety\_rules

Is there a central simulation-based interprofessional education?,Yes collaborative training.,skills\_lab

Is there a central research collaboration policy?,Yes documented.,research\_policy

Is there a central library digital curation team?,Yes content management.,digital\_library

Is there a central academic resource open education initiative?,Yes OER adoption.,digital\_learning

Is there a central lab safety signage standardization?,Yes uniform signs.,safety\_rules

Is there a central simulation faculty development pathway?,Yes certification and training.,faculty\_development

Is there a central research mentorship onboarding?,Yes for new scholars.,research\_cell

Is there a central library accessibility improvement plan?,Yes ongoing.,library\_services

Is there a central academic resource innovation hub?,Yes interdisciplinary.,innovation\_cell

Is there a central lab safety compliance monitoring system?,Yes real time.,quality\_assurance

Is there a central simulation program quality indicators?,Yes KPIs.,quality\_assurance

Is there a central research collaboration communication channel?,Yes newsletters and portals.,research\_cell

Is there a central library digital rights management?,Yes licensing.,library\_services

Is there a central academic resource training calendar?,Yes scheduled.,faculty\_development

Is there a central lab safety competency certification?,Yes mandatory.,safety\_rules

Is there a central simulation-based assessment calibration?,Yes examiner training.,assessment\_system

Is there a central research mentorship community of practice?,Yes regular meetings.,research\_cell

Is there a central library learning analytics?,Yes usage patterns.,library\_services

Is there a central academic resource funding review?,Yes budget oversight.,administration

Is there a central lab safety equipment inspection?,Yes periodic.,safety\_rules

Is there a central simulation-based curriculum innovation?,Yes pilot modules.,skills\_lab

Is there a central research collaboration evaluation framework?,Yes metrics defined.,quality\_assurance

Is there a central library service innovation?,Yes new tools.,library\_services

Is there a central academic resource governance charter?,Yes approved.,governance

Is there a central lab safety incident review committee?,Yes root cause analysis.,safety\_rules

Is there a central simulation-based faculty mentoring?,Yes peer support.,medical\_education\_unit

Is there a central research mentorship outcome tracking?,Yes publications and grants.,research\_cell

Is there a central library user experience survey?,Yes annual.,library\_services

Is there a central academic resource integration with assessment?,Yes LMS linked.,digital\_learning

Is there a central lab safety emergency drill documentation?,Yes records.,safety\_rules

Is there a central simulation-based learner feedback system?,Yes surveys.,quality\_assurance

Is there a central research collaboration reporting to council?,Yes periodic.,governance

Is there a central library digital transformation plan?,Yes strategic.,library\_services

Is there a central academic resource accessibility compliance?,Yes for PwD.,library\_services

Is there a central lab safety training refresher?,Yes annual.,safety\_rules

Is there a central simulation program accreditation audit?,Yes periodic.,quality\_assurance

Is there a central research mentorship incentive scheme?,Yes recognition.,research\_policy

Is there a central library collection digitization project?,Yes ongoing.,digital\_library

Is there a central academic resource risk management?,Yes mitigation plans.,quality\_assurance

Is there a central lab safety compliance certification renewal?,Yes periodic.,safety\_rules

Is there a central simulation-based inter-institutional training?,Yes collaborations.,international\_relations

Is there a central research collaboration funding tracking?,Yes financial monitoring.,research\_cell

Is there a central library cloud backup?,Yes secure storage.,it\_services

Is there a central academic resource sustainability metrics?,Yes green KPIs.,environment\_policy

Is there a central lab safety emergency contact system?,Yes displayed.,safety\_rules

Is there a central simulation-based curriculum alignment with NMC?,Yes compliance.,skills\_lab

Is there a central research mentorship annual report?,Yes published.,research\_cell

Is there a central library digital literacy assessment?,Yes surveys.,library\_services

Is there a central academic resource upgrade roadmap?,Yes phased plan.,it\_services

Is there a central lab safety compliance training log?,Yes maintained.,safety\_rules

Is there a central simulation-based exam security?,Yes access control.,assessment\_system

Is there a central research collaboration knowledge base?,Yes shared repository.,research\_cell

Is there a central library service benchmarking?,Yes with peer institutions.,library\_services

Is there a central academic resource innovation KPI?,Yes tracked.,quality\_assurance

Is there a central lab safety equipment maintenance schedule?,Yes preventive.,safety\_rules

Is there a central simulation-based student certification?,Yes skill passports.,skills\_lab

Is there a central research mentorship peer review?,Yes quality improvement.,research\_cell

Is there a central library e-resource renewal policy?,Yes annual review.,library\_services

Is there a central academic resource cloud integration?,Yes hybrid systems.,it\_services

Is there a central lab safety compliance audit trail?,Yes documented.,safety\_rules

Is there a central simulation-based teaching excellence award?,Yes recognition.,faculty\_development

Is there a central research collaboration outreach program?,Yes seminars and workshops.,research\_cell

Is there a central library user advisory board?,Yes representation.,library\_services

Is there a central academic resource innovation fund governance?,Yes oversight.,governance

Is there a central lab safety compliance incident dashboard?,Yes monitoring.,quality\_assurance

Is there a central simulation-based curriculum assessment?,Yes outcome review.,assessment\_system

Is there a central research mentorship continuous improvement?,Yes action plans.,quality\_assurance

Is there a central library digital service uptime monitoring?,Yes IT support.,it\_services

Is there a central academic resource content quality review?,Yes peer review.,digital\_learning

Is there a central lab safety compliance certification audit?,Yes third party.,quality\_assurance

Is there a central simulation-based interprofessional OSCE?,Yes joint assessment.,skills\_lab

Is there a central research collaboration policy update cycle?,Yes periodic.,research\_policy

Is there a central library learning space redesign?,Yes user-centered.,library\_services

Is there a central academic resource strategic review?,Yes council oversight.,governance

Is there a central lab safety compliance reporting to regulators?,Yes statutory.,safety\_rules

Is there a central simulation-based faculty peer observation?,Yes teaching  
quality.,medical\_education\_unit

Is there a central research mentorship satisfaction survey?,Yes feedback.,research\_cell

Is there a central library digital content curation policy?,Yes selection criteria.,library\_services

Is there a central academic resource interdepartmental sharing?,Yes open access.,academic\_policy

Is there a central lab safety emergency response training?,Yes drills.,safety\_rules

Is there a central simulation-based exam standard setting?,Yes benchmarked.,assessment\_system

Is there a central research collaboration network directory?,Yes contacts.,international\_relations

Is there a central library user engagement analytics?,Yes usage data.,library\_services

Is there a central academic resource innovation pipeline?,Yes idea to implementation.,innovation\_cell

Is there a central lab safety compliance continuous monitoring?,Yes sensors and checks.,safety\_rules

Is there a central simulation-based learner progression tracking?,Yes digital log.,academic\_records

Is there a central research mentorship community platform?,Yes online forum.,research\_cell

Is there a central library service innovation awards?,Yes recognition.,library\_services

Is there a central academic resource lifecycle management?,Yes planning and renewal.,it\_services

Is there a central lab safety compliance culture program?,Yes awareness campaigns.,safety\_rules

Is there a central simulation-based curriculum mapping software?,Yes digital tools.,skills\_lab

Is there a central research collaboration governance dashboard?,Yes metrics.,quality\_assurance

Is there a central library digital accessibility testing?,Yes compliance.,library\_services

Is there a central academic resource investment strategy?,Yes budget planning.,administration

Is there a central lab safety compliance leadership training?,Yes for supervisors.,safety\_rules

Is there a central simulation-based assessment analytics?,Yes performance trends.,assessment\_system

Is there a central research mentorship best practice repository?,Yes shared knowledge.,research\_cell

Is there a central library user support knowledge base?,Yes FAQs.,library\_services

Is there a central academic resource modernization plan?,Yes phased upgrades.,it\_services

Is there a central lab safety compliance emergency notification?,Yes alerts.,safety\_rules

Is there a central simulation-based interprofessional curriculum?,Yes integrated.,skills\_lab

Is there a central research collaboration annual summit?,Yes conference.,research\_cell

Is there a central library digital scholarship support?,Yes data management and publishing.,library\_services

Is there a central academic resource policy harmonization?,Yes alignment across units.,governance

Is there a central lab safety compliance metrics reporting?,Yes KPIs.,quality\_assurance

Is there a central simulation-based student portfolio system?,Yes skill records.,academic\_records

Is there a central research mentorship recognition program?,Yes awards.,research\_output

Is there a central library user engagement strategy?,Yes outreach.,library\_services

Is there a central academic resource interoperability standards?,Yes system integration.,it\_services

Is there a central lab safety compliance training evaluation?,Yes assessment.,safety\_rules

Is there a central simulation-based assessment quality review?,Yes periodic.,quality\_assurance

Is there a central research collaboration impact report?,Yes published.,research\_cell

Is there a central library digital preservation strategy?,Yes long term.,digital\_library

Is there a central academic resource governance review?,Yes periodic.,governance

Is there a central lab safety compliance continuous improvement?,Yes action plans.,quality\_assurance

Is there a central simulation-based faculty certification renewal?,Yes periodic.,medical\_education\_unit

Is there a central research mentorship onboarding toolkit?,Yes resources.,research\_cell

Is there a central library service continuity testing?,Yes drills.,library\_services

Is there a central academic resource innovation governance?,Yes oversight.,governance

Is there a central lab safety compliance regulatory reporting?,Yes statutory.,safety\_rules

Is there a central simulation-based learner support services?,Yes coaching.,skills\_lab

Is there a central research collaboration knowledge dissemination?,Yes publications.,research\_cell

Is there a central library digital transformation governance?,Yes steering committee.,library\_services

Is there a central academic resource risk assessment?,Yes periodic.,quality\_assurance

Is there a central lab safety compliance culture survey?,Yes feedback.,safety\_rules

Is there a central simulation-based interprofessional faculty training?,Yes joint workshops.,faculty\_development

Is there a central research mentorship success tracking?,Yes KPIs.,research\_cell

Is there a central library user training effectiveness review?,Yes surveys.,library\_services

Is there a central academic resource performance dashboard?,Yes analytics.,quality\_assurance

Is there a central lab safety compliance emergency simulation?,Yes drills.,safety\_rules

Is there a central simulation-based assessment governance?,Yes committees.,assessment\_system

Is there a central research collaboration strategic roadmap?,Yes planning.,research\_cell

Is there a central library digital service resilience plan?,Yes redundancy.,it\_services

Is there a central academic resource change management?,Yes structured process.,administration

Is there a central lab safety compliance training accreditation?,Yes certified.,safety\_rules

Is there a central simulation-based curriculum quality assurance?,Yes audits.,quality\_assurance

Is there a central research mentorship community events?,Yes workshops.,research\_cell

Is there a central library digital inclusion program?,Yes accessibility.,library\_services

Is there a central academic resource lifecycle audit?,Yes periodic.,quality\_assurance

Is there a central lab safety compliance documentation system?,Yes digital.,safety\_rules

Is there a central simulation-based learning analytics?,Yes dashboards.,digital\_learning

Is there a central research collaboration governance framework?,Yes policy.,governance

Is there a central library user satisfaction index?,Yes KPI.,library\_services

Is there a central academic resource strategic investment review?,Yes board oversight.,administration

Is there a central lab safety compliance emergency response audit?,Yes review.,safety\_rules

Is there a central simulation-based teaching innovation hub?,Yes new methods.,innovation\_cell

Is there a central research mentorship network expansion plan?,Yes growth.,research\_cell

Is there a central library digital scholarship training?,Yes workshops.,library\_services

Is there a central academic resource security policy?,Yes data protection.,it\_services

Is there a central lab safety compliance continuous training?,Yes refresher.,safety\_rules

Is there a central simulation-based competency benchmarking?,Yes standards.,assessment\_system

Is there a central research collaboration performance review?,Yes periodic.,quality\_assurance

Is there a central library digital usage optimization?,Yes analytics.,library\_services

Is there a central academic resource integration roadmap?,Yes phased.,it\_services

Is there a central lab safety compliance incident learning system?,Yes lessons learned.,safety\_rules

Is there a central simulation-based assessment innovation?,Yes new formats.,skills\_lab

Is there a central research mentorship sustainability plan?,Yes continuity.,research\_cell

Is there a central library digital service innovation roadmap?,Yes future planning.,library\_services

Is there a central academic resource governance maturity model?,Yes assessment.,quality\_assurance

Is there a central lab safety compliance risk register?,Yes maintained.,safety\_rules

## **Placements & Career Pathways – Telapathy College of Medical Science (TCMS)**

question,answer,source

How many students are enrolled at TCMS in 2026?,The total student strength across UG PG and allied programs is over 6000.,institutional\_statistics

Does TCMS have a dedicated Placement and Career Guidance Cell?,Yes a Placement and Career Guidance Cell functions under the Dean Academics.,placement\_cell

What is the role of the Placement Cell?,It guides students for internships PG entrance residencies fellowships and hospital placements.,placement\_cell

Are MBBS students placed through campus recruitment?,MBBS graduates are primarily placed through hospital residencies and government or private sector recruitment.,placement\_policy

Are PG students assisted for super-specialty admissions?,Yes the cell provides guidance for DM and MCh entrance examinations.,career\_guidance

Does TCMS conduct campus interviews for hospital jobs?,Yes reputed hospitals and healthcare groups conduct on-campus recruitment drives.,placement\_drives

What percentage of interns receive placement offers?,A large proportion of interns receive offers from

affiliated and external hospitals.,placement\_statistics

Are government job preparations supported?,Yes guidance is provided for UPSC CMS state PSC and other government medical services.,career\_guidance

Is coaching provided for NEET-PG and NEXT?,Yes structured coaching and test series are supported.,academic\_support

Are USMLE and PLAB guidance sessions held?,Yes international medical career counseling is provided.,international\_careers

Does the college have tie-ups with corporate hospitals?,Yes MoUs exist with multi-specialty hospital chains.,industry\_partnerships

Are alumni involved in career mentoring?,Yes alumni regularly conduct career talks and mentorship sessions.,alumni\_cell

Are research careers promoted?,Yes students are guided towards PhD and clinical research roles.,research\_careers

Is there a hospital internship placement program?,Yes compulsory rotating internship is provided in the attached teaching hospital.,internship\_program

Do PG students get senior resident positions?,Many PGs are appointed as senior residents in teaching and corporate hospitals.,career\_pathways

Is overseas placement assistance available?,Yes for countries following screening exams and licensing.,international\_careers

Are mock interviews conducted?,Yes personality development and mock interview sessions are organized.,placement\_cell

Is resume and CV training provided?,Yes workshops on CV writing and interview skills are held.,career\_guidance

Are soft skills and communication training given?,Yes through language lab and professional development programs.,soft\_skills

Are pharmaceutical industry roles explained to students?,Yes careers in pharma research and medical affairs are introduced.,industry\_careers

Are public health careers promoted?,Yes guidance for MPH and epidemiology roles is given.,public\_health\_careers

Are health administration roles discussed?,Yes hospital management and MBA healthcare pathways are explained.,management\_careers

Is there a placement database of alumni?,Yes alumni career progression is tracked.,alumni\_records

Are fellowships in clinical specialties supported?,Yes guidance for national and international fellowships is provided.,fellowship\_guidance

Are research publications linked with career advancement?,Yes students are encouraged to publish for academic careers.,research\_careers

Is there guidance for teaching careers?,Yes for becoming medical faculty and academicians.,academic\_careers

Are Army and Armed Forces medical careers discussed?,Yes AFMC and military medical services guidance is provided.,defence\_careers

Are diagnostic lab careers supported?,Yes pathology and lab medicine roles are explained.,industry\_careers

Is entrepreneurship in healthcare encouraged?,Yes support for startups and clinics is provided.,entrepreneurship\_cell

Are rural service opportunities guided?,Yes government and NGO rural postings are facilitated.,community\_service

Is there support for licensing exams abroad?,Yes USMLE PLAB AMC and other exam guidance.,international\_careers

Are scholarships for higher studies informed?,Yes national and international scholarship information is shared.,financial\_aid

Are internship performance records used for placement?,Yes evaluations influence hospital job offers.,internship\_program

Is there a campus hospital recruitment preference?,Yes the attached teaching hospital recruits many graduates.,hospital\_placements

Are telemedicine and digital health careers introduced?,Yes emerging digital health roles are explained.,future\_careers

Is there a career fair organized?,Yes annual medical career fair and alumni meet.,placement\_events

Are NGO and humanitarian careers promoted?,Yes MSF and public service roles are discussed.,global\_health

Is there a placement policy document?,Yes approved by Academic Council.,placement\_policy

Are career counseling sessions one-to-one?,Yes personalized mentoring is available.,career\_guidance

Are international residency pathways explained?,Yes US UK and other systems are discussed.,international\_careers

Are academic rank holders given special support?,Yes for premier institute admissions.,merit\_support

Are students guided for research grants and fellowships?,Yes ICMR and international grants are supported.,research\_careers

Is hospital administration training provided?,Yes through electives and workshops.,management\_careers

Are students encouraged for startup clinics?,Yes entrepreneurship mentoring is provided.,entrepreneurship\_cell

Are sports and extracurricular achievements considered in CVs?,Yes holistic profiles are encouraged.,career\_guidance

Is there a placement statistics report published?,Yes annual placement and career outcome report.,placement\_statistics

Are female students supported for career continuity?,Yes flexible career counseling and safety support.,student\_welfare

Are rural and urban placement options provided?,Yes both government and private

sectors.,placement\_cell

Are tele-interviews arranged for overseas hospitals?,Yes through digital platforms.,international\_careers

Are leadership roles in healthcare explained?,Yes hospital leadership and policy careers are discussed.,leadership\_program

Are continuing medical education credits supported?,Yes for career progression.,professional\_development

Are clinical audits and quality roles introduced?,Yes patient safety and quality officer roles.,quality\_careers

Are public policy and health economics careers discussed?,Yes higher studies and policy fellowships are guided.,public\_policy

Are research assistant and trial coordinator roles offered?,Yes in clinical research units.,research\_careers

Is placement cell staffed by faculty and HR professionals?,Yes a multidisciplinary team manages placements.,placement\_cell

Are career pathways documented for each specialty?,Yes specialty-wise career maps are provided.,career\_guidance

Are PG exit outcomes tracked?,Yes residency and fellowship placements are recorded.,placement\_statistics

Are industry internships offered to allied health students?,Yes diagnostic and biotech internships.,industry\_careers

Are global observership programs facilitated?,Yes through international MoUs.,international\_careers

Are medical writing and editing careers discussed?,Yes roles in journals and pharma.,industry\_careers

Are telehealth startups supported?,Yes incubation and mentoring available.,innovation\_cell

Are public sector hospital recruitments notified?,Yes vacancy alerts are shared.,career\_guidance

Are exam preparation resources provided?,Yes libraries and online platforms support.,academic\_support

Are soft skill certifications provided?,Yes communication and leadership certificates.,soft\_skills

Are placement drives conducted annually?,Yes scheduled hospital and organization visits.,placement\_drives

Are alumni placement success stories shared?,Yes during orientation and career days.,alumni\_cell

Are international fellowships like WHO programs discussed?,Yes global health career pathways.,international\_careers

Are ethical and legal aspects of practice taught for careers?,Yes medico-legal career readiness.,professional\_development

Are clinical subspecialty trends shared?,Yes demand and future scope sessions.,future\_careers

Are students guided for private practice setup?,Yes legal and business guidance.,entrepreneurship\_cell

Are academic research positions abroad supported?,Yes postdoctoral and faculty pathways.,research\_careers

Are simulation and skills certification helpful for jobs?,Yes competency certificates strengthen

employability.,skills\_lab

Are placement coordinators appointed in each department?,Yes faculty placement coordinators exist.,placement\_cell

Are campus recruitment statistics audited?,Yes quality assurance and transparency.,quality\_assurance

Are government bond and service rules explained?,Yes state service obligations are briefed.,career\_guidance

Are medical coding and health IT roles discussed?,Yes emerging health informatics careers.,digital\_health

Are disaster and emergency medicine careers promoted?,Yes through training and postings.,emergency\_careers

Are international exchange internships supported?,Yes observership and electives.,international\_careers

Are rural health officer roles explained?,Yes community medicine guidance.,public\_health\_careers

Are entrepreneurship competitions organized?,Yes healthcare startup challenges.,innovation\_cell

Are career handbooks provided?,Yes detailed career guides are issued.,placement\_cell

Are postgraduate entrance rank analysis sessions held?,Yes counseling based on ranks.,academic\_support

Are students guided for clinical fellowship abroad licensing?,Yes exam and visa guidance.,international\_careers

Are mentorship programs long-term?,Yes career mentors assigned from first year.,mentorship\_program

Are placement policies aligned with NMC and university?,Yes regulatory compliance.,placement\_policy

Are clinical skill certifications mapped to job roles?,Yes competency-based employability.,skills\_lab

Are industry experts invited for career talks?,Yes corporate hospital and pharma leaders.,career\_events

Are public health project placements available?,Yes with NGOs and government bodies.,public\_health\_careers

Are telemedicine certification courses supported?,Yes digital health upskilling.,digital\_health

Are health economics and policy internships offered?,Yes through collaborations.,public\_policy

Are placement outcomes reviewed by Academic Council?,Yes for continuous improvement.,governance

Are student feedbacks on placement services collected?,Yes quality improvement.,placement\_cell

Are international scholarships like Erasmus explained?,Yes study abroad guidance.,international\_careers

Are academic career tracks for basic sciences guided?,Yes PhD and faculty pathways.,academic\_careers

Are clinical research organizations recruiting from campus?,Yes CROs conduct drives.,research\_careers

Are hospital administration internships offered?,Yes management training.,management\_careers

Are startup incubation spaces available?,Yes innovation and entrepreneurship center.,innovation\_cell

Are career outcome analytics maintained?,Yes digital dashboards.,quality\_assurance

Are placement policies transparent to students?,Yes published in handbook.,placement\_policy

Are international tele-observerships available?,Yes virtual clinical exposure.,international\_careers

Are rural service incentives explained?,Yes government schemes and benefits.,public\_health\_careers

Are clinical simulation certifications recognized by employers?,Yes hospitals value OSCE and skill lab

training.,skills\_lab

Are placement records used for accreditation?,Yes for NAAC and NMC reviews.,quality\_assurance

Are continuous career guidance sessions held?,Yes throughout the academic year.,career\_guidance

Are students guided for medical entrepreneurship funding?,Yes seed funding and VC

awareness.,entrepreneurship\_cell

Are global health research careers promoted?,Yes WHO and international NGOs.,global\_health

Are alumni placement networks leveraged?,Yes referral and mentoring.,alumni\_cell

Are academic exchange fellowships promoted?,Yes international teaching and research

exchange.,international\_careers

Are leadership roles in hospital administration highlighted?,Yes CEO COO and Medical Director

tracks.,management\_careers

Are legal and medico-legal careers discussed?,Yes forensic and legal consultancy

roles.,professional\_development

Are healthcare analytics and AI roles introduced?,Yes digital and data-driven healthcare

careers.,digital\_health

Are placement outcomes aligned with institutional vision?,Yes producing competent clinicians and

leaders.,institutional\_policy

## **Governance, Committees & Administration – Telapathy College of Medical Science (TCMS)**

question,answer,source

Who is the Chairperson of TCMS?,Dr. Raghunandan Malhotra is the Chairperson of the Governing Council.,governance

Who is the Principal of the college?,Dr. Meera Vasudevan serves as the Principal and Academic Head.,administration

Who is the Medical Superintendent of the attached hospital?,Dr. Arvind Kulkarni is the Medical Superintendent overseeing clinical services.,hospital\_administration

Who is the Dean Academics?,Dr. Sanjay Rao functions as the Dean Academics and supervises teaching programs.,administration

Who heads the Research Cell?,Dr. Nandita Chatterjee is the Chairperson of the Research and Innovation Cell.,research\_governance

Who is the Registrar?,Mr. Pankaj Verma is the Registrar responsible for academic records and administration.,administration

What is the role of the Governing Council?,It formulates policies, approves budgets, and oversees strategic development.,governance

What is the Academic Council?,The Academic Council plans curriculum, assessments, and academic

standards.,academic\_governance

Who is the Chairperson of the Academic Council?,The Principal acts as the Chairperson of the Academic Council.,academic\_governance

What is the role of the Board of Studies?,It reviews and updates syllabi for each department.,academic\_governance

Who is the Chairperson of the Ethics Committee?,Dr. Sumanth Iyer chairs the Institutional Ethics Committee.,ethics\_committee

What is the function of the Ethics Committee?,It reviews and approves research involving human and animal subjects.,ethics\_committee

Who heads the Anti-Ragging Committee?,Dr. Ritu Saxena serves as the Anti-Ragging Committee Head.,student\_welfare

What is the Internal Complaints Committee?,It addresses gender-based harassment and ensures workplace safety.,icc

Who is the Presiding Officer of ICC?,Dr. Ananya Kulkarni is the Presiding Officer.,icc

What is the role of the Grievance Redressal Cell?,It resolves academic and administrative grievances of students.,grievance\_cell

Who heads the Grievance Redressal Cell?,Dr. Mahesh Tandon coordinates grievance resolution.,grievance\_cell

What is the Finance Committee?,It oversees budgeting, audits, and financial planning.,finance\_committee

Who is the Chief Finance Officer?,Mr. Rakesh Bansal manages institutional finances.,finance\_committee

What is the Purchase Committee?,It handles procurement of equipment and supplies.,purchase\_committee

Who chairs the Purchase Committee?,The Registrar chairs the Purchase Committee.,administration

What is the Hospital Management Committee?,It supervises clinical operations and patient care quality.,hospital\_governance

Who is the Infection Control Officer?,Dr. Shalini Deshpande leads infection control programs.,hospital\_governance

What is the Medical Education Unit?,It trains faculty in teaching methods and CBME.,academic\_governance

Who heads the Medical Education Unit?,Dr. Prakash Menon is the Coordinator of MEU.,academic\_governance

What is the Quality Assurance Cell?,It monitors academic and clinical standards and accreditation.,quality\_assurance

Who is the IQAC Coordinator?,Dr. Neelam Joshi coordinates internal quality assurance.,quality\_assurance

What is the Disaster Management Committee?,It plans and manages emergency preparedness and response.,safety\_committee

Who leads the Disaster Management Committee?,Dr. Vinod Sharma acts as the Convener.,safety\_committee

What is the Library Advisory Committee?,It recommends library resources and policies.,library\_governance

Who is the Chief Librarian?,Ms. Kavita Arora manages library services.,library\_governance

What is the Student Affairs Committee?,It coordinates student welfare and extracurricular activities.,student\_affairs

Who is the Dean Student Affairs?,Dr. Rakesh Pillai oversees student support services.,student\_affairs

What is the Placement and Career Guidance Committee?,It manages internships, residencies, and career counseling.,placement\_governance

Who heads the Placement Committee?,Dr. Alok Verma is the Placement Coordinator.,placement\_governance

What is the Research Advisory Board?,It guides institutional research priorities and funding.,research\_governance

Who is the Head of Alumni Association?,Dr. Pooja Nair coordinates alumni relations.,alumni\_cell

What is the Curriculum Committee?,It designs and reviews integrated and competency-based curriculum.,academic\_governance

Who chairs the Curriculum Committee?,The Dean Academics chairs the committee.,academic\_governance

What is the Hostel Management Committee?,It manages hostel administration and discipline.,hostel\_governance

Who is the Chief Warden?,Dr. Sunil Khanna supervises all hostels.,hostel\_governance

What is the Examination Committee?,It plans and conducts internal and university examinations.,exam\_governance

Who is the Controller of Examinations?,Dr. Ramesh Kulkarni manages exam operations.,exam\_governance

What is the IT Steering Committee?,It oversees digital infrastructure and cybersecurity.,it\_governance

Who is the Chief Information Officer?,Mr. Amit Srivastava leads IT services.,it\_governance

What is the Bio-Medical Waste Management Committee?,It ensures compliance with waste disposal regulations.,hospital\_governance

Who coordinates Biomedical Waste Management?,Dr. Kiran Patel supervises waste segregation and disposal.,hospital\_governance

What is the Safety and Security Committee?,It ensures campus security and surveillance.,security\_committee

Who is the Chief Security Officer?,Mr. Suresh Rana manages campus security.,security\_committee

What is the Sports Committee?,It plans and manages sports facilities and events.,sports\_governance

Who is the Director of Physical Education?,Mr. Rajeev Singh coordinates sports programs.,sports\_governance

What is the Cultural Committee?,It organizes cultural festivals and activities.,student\_affairs

Who heads the Cultural Committee?,Dr. Neha Kapoor serves as Faculty Coordinator.,student\_affairs

What is the NSS Advisory Committee?,It supervises National Service Scheme activities.,nss\_governance

Who is the NSS Program Officer?,Dr. Rahul Mehta coordinates NSS activities.,nss\_governance

What is the NCC Advisory Committee?,It supervises NCC training and camps.,ncc\_governance

Who is the NCC Officer?,Lt. Dr. Vikram Joshi leads NCC units.,ncc\_governance

What is the Environment and Green Campus Committee?,It promotes sustainability and eco-friendly practices.,environment\_committee

Who coordinates the Green Campus Initiative?,Dr. Shreya Banerjee oversees environmental programs.,environment\_committee

What is the Ethics and Professionalism Committee?,It promotes ethical medical practice and professionalism.,ethics\_committee

Who monitors academic integrity?,The Academic Council and Ethics Committee jointly monitor integrity.,academic\_governance

What is the Statutory Body overseeing TCMS?,The University and National Medical Commission regulate the institution.,regulatory\_affairs

Who is the NMC Liaison Officer?,Dr. Pradeep Kulkarni coordinates regulatory compliance.,regulatory\_affairs

What is the Role of the Governing Body Secretary?,He records proceedings and implements council decisions.,governance

Who is the Governing Body Secretary?,Mr. Anil Mathur serves as Secretary.,governance

What is the Faculty Appraisal Committee?,It evaluates faculty performance and promotions.,hr\_governance

Who heads the HR and Appraisal Committee?,Dr. Suman Rao oversees faculty evaluation.,hr\_governance

What is the Student Discipline Committee?,It handles cases of misconduct and indiscipline.,discipline\_committee

Who is the Chairperson of Discipline Committee?,Dr. Raghav Mishra leads the committee.,discipline\_committee

What is the Clinical Audit Committee?,It reviews patient care quality and outcomes.,hospital\_governance

Who heads the Clinical Audit Committee?,Dr. Aarti Malhotra supervises audits.,hospital\_governance

What is the Research Ethics Sub-Committee?,It monitors ongoing research compliance.,ethics\_committee

Who coordinates Research Compliance?,Dr. Nilesh Gupta ensures regulatory adherence.,research\_governance

What is the Strategic Planning Committee?,It defines long-term institutional vision and goals.,governance

Who leads Strategic Planning?,The Chairperson and Principal jointly lead planning.,governance

What is the International Relations Office?,It manages global collaborations and

exchanges.,international\_relations

Who is the Director of International Programs?,Dr. Pankaj Suri coordinates global partnerships.,international\_relations

What is the Student Counseling Cell?,It provides academic and psychological counseling.,student\_welfare

Who is the Chief Counselor?,Dr. Rina Malhotra provides mental health support.,student\_welfare

What is the Legal and Compliance Cell?,It handles legal matters and statutory compliance.,administration

Who is the Legal Advisor?,Mr. Sanjay Khanna serves as Legal Consultant.,administration

What is the Data Protection Committee?,It ensures privacy and information security.,it\_governance

Who is the Data Protection Officer?,Mr. Arjun Mehra manages data security.,it\_governance

What is the Procurement and Inventory Committee?,It tracks assets and equipment.,purchase\_committee

Who is the Store Officer?,Mr. Ramesh Patel manages inventory.,purchase\_committee

What is the Alumni Advisory Board?,It guides alumni engagement and institutional development.,alumni\_cell

Who chairs the Alumni Advisory Board?,Dr. Nitin Bhatia leads alumni initiatives.,alumni\_cell

What is the Accreditation and Ranking Committee?,It prepares for NAAC and NMC inspections.,quality\_assurance

Who is the Accreditation Coordinator?,Dr. Sunita Iyer manages accreditation processes.,quality\_assurance

What is the Academic Calendar Committee?,It schedules semesters and examinations.,academic\_governance

Who approves the Academic Calendar?,The Academic Council approves the calendar.,academic\_governance

What is the Central Timetable Committee?,It allocates lecture and lab schedules.,academic\_governance

Who coordinates Timetable Preparation?,Dr. Manish Arora prepares the master timetable.,academic\_governance

What is the Student Feedback Committee?,It analyzes course and faculty feedback.,quality\_assurance

Who is the Student Feedback Coordinator?,Dr. Kavita Joshi manages feedback analysis.,quality\_assurance

What is the Infrastructure Development Committee?,It plans buildings and campus expansion.,administration

Who heads Infrastructure Planning?,Mr. Rajat Malhotra oversees construction projects.,administration

What is the Academic Audit Committee?,It reviews teaching-learning processes.,quality\_assurance

Who is the Academic Audit Head?,Dr. Rohan Deshpande conducts audits.,quality\_assurance

What is the Code of Conduct Committee?,It enforces institutional ethics and rules.,discipline\_committee

Who oversees Code of Conduct implementation?,The Dean Student Affairs oversees

compliance.,student\_affairs

What is the Central Purchase Approval Authority?,The Governing Council approves major purchases.,governance

Who sanctions new academic programs?,The Academic Council and University approve programs.,academic\_governance

What is the Faculty Development Committee?,It plans training and workshops for faculty.,faculty\_development

Who heads Faculty Development?,Dr. Sneha Kulkarni coordinates training.,faculty\_development

What is the Innovation and Startup Committee?,It supports entrepreneurship and incubation.,innovation\_cell

Who leads the Innovation Cell?,Dr. Ritu Malhotra mentors startup initiatives.,innovation\_cell

What is the Student Election Committee?,It conducts student council elections.,student\_governance

Who is the Election Officer?,Dr. Pawan Joshi supervises student elections.,student\_governance

What is the Campus Safety Committee?,It monitors physical and psychological safety.,safety\_committee

Who chairs the Campus Safety Committee?,Dr. Kunal Verma leads safety initiatives.,safety\_committee

What is the Academic Mentorship Committee?,It assigns and monitors student mentors.,mentorship\_program

Who coordinates Mentorship Program?,Dr. Ayesha Khan oversees mentoring.,mentorship\_program

What is the Research Funding Committee?,It evaluates grant proposals and allocations.,research\_governance

Who is the Research Funding Chair?,Dr. Harish Mehta manages grant approvals.,research\_governance

What is the Central Documentation and Records Office?,It maintains institutional records and archives.,administration

Who is the Records Officer?,Ms. Priya Sharma manages documentation.,administration

What is the Role of the University Nominee in Governing Council?,To ensure regulatory compliance and academic standards.,regulatory\_affairs

Who is the University Nominee?,Dr. Vinayak Deshmukh represents the University.,regulatory\_affairs

What is the Community Outreach Committee?,It plans health camps and social programs.,community\_outreach

Who heads Community Outreach?,Dr. Anupama Rao coordinates outreach activities.,community\_outreach

What is the Digital Learning Committee?,It manages LMS and online education.,digital\_learning

Who is the Digital Learning Coordinator?,Mr. Rohit Agarwal oversees e-learning platforms.,digital\_learning

What is the Examination Malpractice Committee?,It investigates unfair means cases.,exam\_governance

Who heads the Malpractice Committee?,Dr. Suresh Iyer conducts inquiries.,exam\_governance

What is the Student Scholarship Committee?,It allocates financial aid and scholarships.,student\_welfare

Who is the Scholarship Officer?,Ms. Neelam Gupta manages scholarships.,student\_welfare

What is the Transport Committee?,It manages college transport services.,administration

Who is the Transport Officer?,Mr. Deepak Soni oversees transport operations.,administration

What is the Central Purchase Audit Committee?,It audits procurement processes.,finance\_committee

Who conducts Financial Audits?,External Chartered Accountants appointed by Governing Council.,finance\_committee

What is the Role of the University Observer?,To monitor examinations and academic standards.,exam\_governance

Who is the University Observer?,Dr. Shyam Rao appointed by the University.,exam\_governance

What is the Central Advisory Board?,It provides strategic advice on institutional growth.,governance

Who chairs the Central Advisory Board?,The Chairperson of the Trust leads the board.,governance

## **Hospital Services & Clinical Infrastructure – Telapathy College of Medical Science (TCMS)**

question,answer,source

What is the bed capacity of the teaching hospital?,The attached teaching hospital has more than 1200 functional beds.,hospital\_infrastructure

Is the hospital a tertiary care center?,Yes it provides tertiary level diagnostic and treatment facilities.,hospital\_profile

Are emergency services available 24x7?,Yes a fully functional emergency and trauma center operates round the clock.,emergency\_services

Is there a Level-1 Trauma Center?,Yes the hospital is equipped as a Level-1 Trauma Care Center.,trauma\_services

Does the hospital have an Intensive Care Unit?,Yes Medical ICU Surgical ICU Neonatal ICU and Cardiac ICU are available.,critical\_care

Is there a dedicated COVID or isolation ward?,Yes isolation and negative pressure rooms are available for infectious diseases.,infection\_control

Are modular operation theatres available?,Yes multiple modular OTs with laminar airflow are functional.,surgical\_infrastructure

Is there a central sterile supply department?,Yes CSSD ensures sterilization of all surgical instruments.,infection\_control

Does the hospital have a blood bank?,Yes a licensed blood bank with component separation unit is available.,blood\_bank

Are dialysis services provided?,Yes a fully equipped dialysis unit operates under Nephrology.,renal\_services

Is there a cath lab?,Yes a cardiac catheterization lab for interventional cardiology.,cardiology\_services

Is MRI and CT scan available?,Yes 1.5T and 3T MRI CT Scan and digital radiology are available.,radiology\_services

Is ultrasound available 24x7?,Yes emergency and routine ultrasonography services operate round the clock.,radiology\_services

Is there a neonatal intensive care unit?,Yes a Level-III NICU is functional.,neonatology

Are labor rooms equipped for high-risk deliveries?,Yes advanced fetal monitoring and emergency OT access is available.,obstetrics\_services

Is there a pediatric ICU?,Yes a dedicated PICU is available.,pediatrics\_services

Are oncology services available?,Yes medical surgical and radiation oncology units are present.,oncology\_services

Is there a radiotherapy unit?,Yes linear accelerator and brachytherapy facilities exist.,oncology\_services

Is there a psychiatric ward?,Yes inpatient and outpatient psychiatric services are provided.,psychiatry\_services

Are physiotherapy and rehabilitation services available?,Yes a full rehabilitation center with electrotherapy and exercise units.,rehabilitation\_services

Is there a burn unit?,Yes a specialized burn care unit with isolation rooms.,burn\_services

Is there an eye hospital block?,Yes a dedicated ophthalmology block with operation theatres.,ophthalmology\_services

Are ENT endoscopic suites available?,Yes endoscopic sinus surgery and audiology labs are present.,ent\_services

Is there a dental wing?,Yes comprehensive dental and maxillofacial services are provided.,dental\_services

Is telemedicine available?,Yes teleconsultation and remote follow-up services are functional.,digital\_health

Is there a central pharmacy?,Yes a 24x7 central pharmacy with computerized inventory.,pharmacy\_services

Are ICU beds centrally monitored?,Yes central monitoring system for all critical care units.,critical\_care

Is there an ambulance service?,Yes advanced life support ambulances are available 24x7.,emergency\_services

Is air ambulance support available?,Through regional tie-ups for critical transfers.,emergency\_services

Are isolation ICUs available?,Yes for highly infectious and immunocompromised patients.,infection\_control

Is hospital NABH accredited?,Yes the hospital follows NABH quality and safety standards.,quality\_assurance

Is there a medical gas pipeline system?,Yes oxygen nitrous and vacuum pipeline in all wards.,hospital\_infrastructure

Are electronic medical records used?,Yes full Hospital Information System and EMR are implemented.,it\_services

Is there a central monitoring command room?,Yes for patient flow and emergency coordination.,hospital\_administration

Are operation theatres equipped for teaching?,Yes live video transmission to lecture halls.,medical\_education

Is there a pain management clinic?,Yes run by Anesthesiology department.,anesthesia\_services

Are transplant services available?,Yes renal and corneal transplant units function.,transplant\_services

Is there an organ donation program?,Yes under state organ transplant authority.,transplant\_services

Is hospital infection control committee active?,Yes for surveillance and audits.,infection\_control

Are biomedical waste rules followed?,Yes segregation and authorized disposal.,bio\_medical\_waste

Is there a disaster management command center?,Yes for mass casualty and epidemic response.,disaster\_management

Is there a hospital ethics committee?,Yes for clinical and research ethics.,ethics\_committee

Is there a mortuary with cold storage?,Yes with forensic and legal compliance.,forensic\_services

Is there a clinical laboratory complex?,Yes pathology microbiology and biochemistry labs.,diagnostic\_services

Are point-of-care testing units available?,Yes in ICU and emergency.,diagnostic\_services

Is there a nutrition and dietetics department?,Yes therapeutic and clinical nutrition services.,support\_services

Are medical social workers available?,Yes for counseling and welfare support.,support\_services

Is there a patient grievance cell?,Yes complaints and feedback are handled.,patient\_welfare

Are hospital safety drills conducted?,Yes fire disaster and code blue drills.,safety\_services

Is there a hospital library?,Yes for clinicians and residents.,medical\_education

Are residents on duty round the clock?,Yes 24x7 resident and consultant coverage.,clinical\_services

Is there a clinical audit committee?,Yes morbidity and mortality reviews.,quality\_assurance

Is there a central oxygen generation plant?,Yes PSA oxygen plant installed.,hospital\_infrastructure

Is there a hospital transport system?,Yes internal patient transfer services.,support\_services

Is there a central waiting lounge?,Yes for patient relatives.,patient\_welfare

Is there a cafeteria for patients and staff?,Yes hygienic food services.,support\_services

Are surgical ICUs specialty based?,Yes neuro ICU cardiac ICU and trauma ICU.,critical\_care

Is there a maternal and child health block?,Yes integrated obstetric and pediatric services.,obstetrics\_pediatrics

Is there a day care surgery unit?,Yes for short stay procedures.,surgical\_services

Is there a wound care and dressing clinic?,Yes specialized wound management.,support\_services

Is there a central registration and billing system?,Yes computerized patient administration.,it\_services

Is there a medical gas alarm system?,Yes centralized safety monitoring.,hospital\_infrastructure

Is there a patient safety officer?,Yes overseeing quality and safety.,quality\_assurance

Is there a hospital disaster mock drill?,Yes conducted periodically.,disaster\_management

Is there a clinical skills training ward?,Yes for supervised student practice.,medical\_education

Are clinical rotations conducted in all specialties?,Yes as per NMC curriculum.,academic\_program

Is there a research ward for clinical trials?,Yes for protocol-based patient care.,research\_infrastructure

Is there a central sterilization audit?,Yes routine quality checks.,infection\_control

Is there a radiation safety officer?,Yes for radiology and oncology units.,safety\_services

Is there a hospital security control room?,Yes with CCTV and access control.,security\_services

Is there a neonatal transport service?,Yes equipped ambulances for newborns.,neonatal\_services

Is there a clinical documentation department?,Yes medical records and coding.,it\_services

Is there a patient counseling center?,Yes pre and post procedure counseling.,patient\_welfare

Is there a hospital accreditation committee?,Yes for NABH and quality systems.,quality\_assurance

Is there a clinical teaching amphitheater?,Yes for ward-based learning.,medical\_education

Is there a skill certification center inside hospital?,Yes OSCE and competency labs.,skills\_lab

Is there a hospital infection surveillance system?,Yes HAI monitoring.,infection\_control

Is there a central emergency command protocol?,Yes code blue code red systems.,emergency\_services

Is there a pediatric vaccination clinic?,Yes routine immunization services.,pediatrics\_services

Is there a mother and baby friendly hospital initiative?,Yes WHO compliant breastfeeding support.,quality\_assurance

Is there a trauma registry?,Yes for audit and research.,trauma\_services

Is there a clinical pharmacy service?,Yes medication safety and counseling.,pharmacy\_services

Is there a geriatric care unit?,Yes specialized elderly care.,geriatric\_services

Is there a pain and palliative care unit?,Yes end-of-life and supportive care.,palliative\_services

Is there a hospital quality dashboard?,Yes digital performance indicators.,quality\_assurance

Is there a patient navigation desk?,Yes for guiding OPD and IPD flow.,patient\_welfare

Is there a central linen and laundry service?,Yes sterile and general linen management.,support\_services

Is there a staff occupational health unit?,Yes for vaccinations and health checks.,support\_services

Is there a clinical training for interns 24x7?,Yes supervised duty rotations.,internship\_program

Is there a hospital information kiosk?,Yes digital patient guidance.,it\_services

Is there a central disaster triage area?,Yes for mass casualty incidents.,disaster\_management

Is there a hospital research ethics monitoring?,Yes for ongoing clinical studies.,ethics\_committee

Is there a central critical care training program?,Yes ACLS ATLS and neonatal resuscitation.,medical\_education

Is there a hospital safety culture program?,Yes continuous quality improvement.,quality\_assurance

Is there a patient satisfaction survey system?,Yes feedback collected digitally.,patient\_welfare

Is there a central referral coordination unit?,Yes inter-hospital transfers.,emergency\_services

Is there a hospital command during epidemics?,Yes infection outbreak response team.,infection\_control

Is there a clinical governance structure?,Yes committees for quality and safety.,governance

Is there a hospital strategic development plan?,Yes for expansion and modernization.,administration

## **Safety, Disaster Management & Emergency Protocols – Telapathy College of Medical Science (TCMS)**

question,answer,source

Is there a Disaster Management Committee at TCMS?,Yes a statutory Disaster Management Committee plans and oversees all emergency preparedness activities.,disaster\_policy

Who heads the Disaster Management Committee?,The Medical Superintendent acts as the Chairperson of the committee.,disaster\_governance

Is there a written Disaster Management Plan?,Yes a detailed Disaster Management and Emergency Response Manual is available.,disaster\_policy

What types of disasters are covered in the plan?,Fire earthquake flood chemical spill epidemic and mass casualty incidents are covered.,disaster\_policy

Is there a 24x7 emergency control room?,Yes a central emergency command and control room operates round the clock.,emergency\_services

Is a fire safety system installed in all buildings?,Yes smoke detectors sprinklers alarms and fire extinguishers are installed.,fire\_safety

Are fire drills conducted regularly?,Yes mock fire drills are conducted at least twice a year.,fire\_safety

Is there an evacuation plan for each building?,Yes floor-wise evacuation maps are displayed.,evacuation\_plan

Are emergency exits clearly marked?,Yes all buildings have illuminated exit signage.,evacuation\_plan

Is there a mass casualty management protocol?,Yes triage and surge capacity plans are defined.,trauma\_services

Does the hospital have a Code Blue system?,Yes Code Blue is activated for cardiac and respiratory arrest.,emergency\_codes

Is there a Code Red for fire?,Yes Code Red is used to indicate fire emergencies.,emergency\_codes

Is there a Code Yellow for disaster?,Yes Code Yellow is used for internal and external disasters.,emergency\_codes

Are disaster response teams trained?,Yes doctors nurses security and support staff undergo periodic training.,training\_program

Is there a central oxygen backup system?,Yes PSA oxygen plant and cylinder backup are available.,critical\_infrastructure

Are emergency power generators available?,Yes DG sets ensure uninterrupted power supply.,critical\_infrastructure

Is the ICU disaster-ready?,Yes ICU has surge beds and emergency ventilators.,critical\_care

Is there an isolation protocol for epidemics?,Yes negative pressure rooms and isolation wards are designated.,infection\_control

Was a pandemic preparedness plan developed?,Yes a comprehensive pandemic response plan exists.,infection\_control

Are personal protective equipments stocked?,Yes PPE kits masks and gloves are stored in emergency inventory.,infection\_control

Is biomedical waste handled during disasters?,Yes special disaster waste segregation protocol is followed.,bio\_medical\_waste

Is there a radiation safety emergency plan?,Yes for radiology and radiotherapy units.,radiation\_safety

Is a chemical spill response plan available?,Yes laboratory chemical spill SOPs are in place.,lab\_safety

Are eye wash and safety showers installed in labs?,Yes in all chemical and microbiology labs.,lab\_safety

Is there an earthquake-resistant building design?,Yes structures follow seismic safety norms.,infrastructure\_safety

Is there a flood management protocol?,Yes water drainage and patient relocation plans exist.,disaster\_policy

Is there a hospital incident command system?,Yes a structured command hierarchy is defined.,emergency\_governance

Are ambulances equipped for disaster response?,Yes ALS ambulances with trauma kits are available.,emergency\_services

Is there coordination with local police and fire brigade?,Yes MoUs exist for joint disaster response.,external\_coordination

Is there a helpline number for emergencies?,Yes a dedicated emergency helpline is displayed across campus.,emergency\_services

Are emergency contact lists displayed?,Yes important numbers are posted in all wards and hostels.,emergency\_services

Is there a neonatal disaster protocol?,Yes NICU has evacuation and backup life support plans.,neonatal\_safety

Is there a blood bank emergency reserve?,Yes disaster reserve stock of blood components is maintained.,blood\_bank

Is there a hospital triage area?,Yes a designated triage zone operates in emergencies.,trauma\_services

Are staff trained in Basic Life Support?,Yes BLS training is mandatory for all clinical staff.,training\_program

Are staff trained in Advanced Life Support?,Yes ACLS and ATLS certifications are encouraged.,training\_program

Is there a disaster communication system?,Yes PA systems SMS alerts and digital dashboards are used.,communication\_system

Is there a crowd control protocol?,Yes security and police coordination plans are defined.,security\_services

Are hostels covered in disaster plans?,Yes separate evacuation and safety SOPs exist for hostels.,hostel\_safety

Is there a fire safety officer?,Yes a certified Fire and Safety Officer is appointed.,fire\_safety

Are fire extinguishers inspected regularly?,Yes periodic inspection and refilling are done.,fire\_safety

Is there a disaster drill for students?,Yes students participate in evacuation and mock drills.,training\_program

Is there a mass vaccination emergency plan?,Yes rapid immunization deployment protocols exist.,infection\_control

Is there a central disaster store?,Yes emergency medicines equipment and consumables are stocked.,logistics

Is there a trauma registry for disaster cases?,Yes all disaster cases are documented and audited.,trauma\_services

Is there psychological first aid during disasters?,Yes mental health teams provide crisis counseling.,student\_welfare

Is there a post-disaster review committee?,Yes incident analysis and improvement actions are documented.,quality\_assurance

Is there an emergency shutdown protocol for gas and power?,Yes automatic and manual cutoff systems exist.,critical\_infrastructure

Are hazardous materials labeled and stored safely?,Yes as per safety and regulatory guidelines.,lab\_safety

Is there an emergency evacuation assembly point?,Yes safe assembly zones are marked across campus.,evacuation\_plan

Is there a disaster training for security staff?,Yes guards are trained in evacuation and crowd control.,security\_services

Is there a pediatric disaster triage protocol?,Yes color-coded pediatric triage system is used.,pediatrics\_services

Is there coordination with district disaster authority?,Yes the institution is integrated into district disaster plans.,external\_coordination

Is there a hospital emergency mock code system?,Yes Code Blue Red Yellow drills are conducted periodically.,emergency\_codes

Is disaster management part of student curriculum?,Yes emergency medicine and disaster response are taught.,academic\_program

Is there a continuous safety audit?,Yes internal and external safety audits are conducted.,quality\_assurance

## **Scholarships, Financial Aid & Student Welfare Schemes – Telapathy College of Medical Science (TCMS)**

question,answer,source

Does TCMS provide scholarships to meritorious students?,Yes merit-based scholarships are awarded to high-performing students.,scholarship\_policy

Are need-based scholarships available?,Yes financial assistance is provided to economically weaker students.,financial\_aid

Is there a government scholarship facilitation cell?,Yes a dedicated cell helps students apply for central and state schemes.,welfare\_cell

Are SC ST OBC scholarships supported?,Yes all government category scholarships are facilitated.,scholarship\_policy

Is EWS category financial aid available?,Yes economically weaker section students can apply for aid.,financial\_aid

Are minority scholarships supported?,Yes scholarships for minority communities are processed.,welfare\_cell

Is there an education loan assistance desk?,Yes guidance for bank education loans is provided.,financial\_aid

Are hostel fee concessions available?,Yes fee relaxation is provided in special cases.,hostel\_welfare

Is there an installment facility for tuition fees?,Yes fees can be paid in approved installments.,finance\_policy

Are girl students given special scholarships?,Yes institutional and government schemes support female students.,women\_welfare

Is there a sports scholarship scheme?,Yes outstanding sportspersons receive incentives and fee support.,sports\_policy

Are students with disabilities given financial support?,Yes PwD students receive scholarships and support services.,student\_welfare

Is there a research fellowship for PG students?,Yes institutional research fellowships are awarded.,research\_welfare

Are national fellowships like ICMR supported?,Yes students are guided to apply for national fellowships.,research\_welfare

Is there a student insurance scheme?,Yes health and accident insurance coverage is provided.,student\_welfare

Are medical reimbursement facilities available?,Yes limited reimbursement for serious illness is provided.,student\_welfare

Is there a free ship program?,Yes full or partial fee waiver for top rankers.,merit\_policy

Are orphan or single-parent students supported?,Yes special welfare consideration is given.,welfare\_cell

Is there an emergency financial assistance fund?,Yes for sudden family or medical crises.,financial\_aid

Are hostel mess subsidies available?,Yes for economically weaker students.,hostel\_welfare

Is there a book bank facility?,Yes free textbooks are issued to needy students.,library\_welfare

Are digital device loans provided?,Yes laptops and tablets are issued on need basis.,it\_welfare

Is there a fee refund policy?,Yes as per UGC and institutional rules.,finance\_policy

Are scholarships reviewed annually?,Yes performance-based renewal is required.,scholarship\_policy

Is there a scholarship committee?,Yes it evaluates and sanctions aid.,welfare\_committee

Are alumni scholarships available?,Yes alumni-funded scholarships support students.,alumni\_welfare

Are corporate CSR scholarships supported?,Yes tie-ups with corporate foundations exist.,external\_scholarships

Is there a minority girl child scheme?,Yes special schemes are facilitated.,women\_welfare

Are hostel students insured?,Yes hostel residents are covered under group insurance.,student\_welfare

Is there a counseling service for financial stress?,Yes financial and psychological counseling is available.,counseling\_cell

Are scholarships directly credited to bank accounts?,Yes through DBT system.,scholarship\_policy

Is Aadhaar mandatory for scholarship processing?,Yes for government schemes.,scholarship\_policy

Are attendance criteria linked with scholarships?,Yes minimum attendance is required.,scholarship\_policy

Is there a grievance redressal for scholarship issues?,Yes a grievance cell handles complaints.,welfare\_cell

Are international students eligible for aid?,Yes selected institutional aid schemes.,international\_welfare

Is there a student welfare fund?,Yes contributed by institution and donors.,welfare\_fund

Are exam fee waivers provided?,Yes in special hardship cases.,finance\_policy

Are hostel deposits refundable?,Yes as per hostel rules.,hostel\_welfare

Is there a food assistance program?,Yes subsidized meals for needy students.,hostel\_welfare

Are internship stipends provided?,Yes as per government and institutional norms.,internship\_policy

Are PG stipends paid regularly?,Yes monthly stipends are credited.,finance\_policy

Is there maternity support for female students?,Yes special leave and welfare provisions.,women\_welfare

Are mental health services free?,Yes counseling is provided at no cost.,student\_welfare

Is there a legal aid cell for students?,Yes medico-legal and academic legal support.,legal\_aid

Are transport fee concessions available?,Yes for rural and needy students.,transport\_welfare

Is there a disaster relief fund for students?,Yes emergency support during calamities.,welfare\_fund

Are economically weak students exempted from late fees?,Yes penalty waivers are possible.,finance\_policy

Is there a student mentorship welfare linkage?,Yes mentors monitor financial well-being.,mentorship\_program

Are scholarships advertised on notice boards and portal?,Yes all schemes are notified.,welfare\_cell

Are scholarship audits conducted?,Yes financial audits ensure transparency.,quality\_assurance

Is there an annual welfare report?,Yes student welfare activities are documented.,institutional\_records

Are fee receipts mandatory for scholarship claims?,Yes proper documentation is required.,scholarship\_policy

Is there support for conference travel grants?,Yes research travel grants are provided.,research\_welfare

Are economically weak students given priority in hostels?,Yes hostel allotment considers welfare status.,hostel\_welfare

Are drop-out prevention schemes in place?,Yes financial counseling and aid prevent

discontinuation.,student\_retention

Is there a social responsibility fund?,Yes students can apply for community aid.,welfare\_fund

Is there a student employment on campus scheme?,Yes part-time academic and library assistance roles.,student\_employment

Is there a centralized scholarship portal?,Yes digital application and tracking system.,it\_services

Are parents informed about scholarship status?,Yes communication is sent officially.,welfare\_cell

Is there a welfare orientation for freshers?,Yes schemes are explained during induction.,student\_welfare

## **Alumni, Convocation & Institutional Traditions – Telapathy College of Medical Science (TCMS)**

question,answer,source

Does TCMS have a registered Alumni Association?,Yes the Telapathy College of Medical Science Alumni Association is a registered body.,alumni\_cell

Who heads the Alumni Association?,The association is led by an elected President from senior alumni.,alumni\_governance

Is there an Alumni Cell in the college?,Yes a dedicated Alumni Relations Office coordinates activities.,alumni\_cell

How often are alumni meets conducted?,Annual alumni meets and regional chapter meets are organized.,alumni\_events

Is there a digital alumni portal?,Yes an online portal maintains alumni profiles and networking.,alumni\_it

Are alumni involved in student mentoring?,Yes alumni mentor students for academics and careers.,alumni\_mentorship

Do alumni contribute to scholarships?,Yes many scholarships are funded by alumni endowments.,alumni\_welfare

Are alumni invited for guest lectures?,Yes regular alumni lecture series are conducted.,academic\_events

Is there an alumni newsletter?,Yes a quarterly digital newsletter is published.,alumni\_publications

Do alumni support placements?,Yes alumni facilitate hospital recruitment and referrals.,placement\_support

Is there an international alumni chapter?,Yes overseas alumni chapters operate in major countries.,alumni\_network

Are alumni part of the Governing Council?,Yes nominated alumni representatives serve on advisory boards.,governance

Is there an annual foundation day celebration?,Yes the college foundation day is celebrated every year.,institutional\_traditions

What is the significance of foundation day?,It marks the establishment of the institution and honors founders.,institutional\_traditions

Is a convocation ceremony held?,Yes annual convocation is organized for degree award.,convocation

Who presides over the convocation?,The Chancellor or Vice-Chancellor presides as Chief

Guest.,convocation

Are gold medals awarded at convocation?,Yes academic excellence medals are awarded.,convocation

Are best outgoing student awards given?,Yes UG and PG toppers receive honors.,academic\_awards

Is an oath-taking ceremony conducted?,Yes graduates take the Medical Oath.,convocation

Is there a white coat ceremony?,Yes first-year students are inducted through White Coat

Ceremony.,institutional\_traditions

What is the purpose of the White Coat Ceremony?,It marks entry into the medical profession and ethical

commitment.,institutional\_traditions

Is there a Doctors' Day celebration?,Yes National Doctors' Day is celebrated

annually.,institutional\_traditions

Are cultural traditions maintained?,Yes annual cultural fest and heritage programs are

conducted.,cultural\_traditions

Is there an annual research day?,Yes student and faculty research achievements are

showcased.,academic\_traditions

Is there a remembrance day for founders?,Yes Founders' Memorial Lecture is

organized.,institutional\_traditions

Are alumni invited for convocation?,Yes distinguished alumni attend and are honored.,convocation

Is there an alumni award ceremony?,Yes Lifetime Achievement and Distinguished Service awards are

given.,alumni\_awards

Do alumni contribute to infrastructure?,Yes alumni fund labs hostels and libraries.,alumni\_contributions

Is there an alumni endowment fund?,Yes for long-term academic and welfare support.,alumni\_fund

Are alumni involved in curriculum review?,Yes senior alumni provide industry and clinical

feedback.,academic\_governance

Is there an alumni-student interaction week?,Yes annual interaction and networking week.,alumni\_events

Are golden jubilee and silver jubilee celebrated?,Yes milestone years are celebrated with special

events.,institutional\_traditions

Is there a convocation rehearsal and protocol?,Yes formal academic procession and dress code are

followed.,convocation

Is academic regalia mandatory in convocation?,Yes gown hood and cap as per university

norms.,convocation

Are honorary doctorates awarded?,Yes to eminent medical and social leaders.,convocation

Is there a time capsule tradition?,Yes significant milestones are archived.,institutional\_traditions

Are alumni success stories documented?,Yes in annual reports and website.,alumni\_publications

Is there an alumni guest of honor lecture?,Yes during foundation and convocation

events.,academic\_events

Is there a rolling trophy tradition?,Yes for best house and department.,institutional\_traditions

Is there a flag hoisting ceremony on national days?,Yes Independence Day and Republic Day are celebrated.,national\_traditions

Are social responsibility days observed?,Yes Health Day AIDS Day and Environment Day.,institutional\_traditions

Is there a memorial lecture series?,Yes in honor of eminent past faculty.,academic\_traditions

Is alumni data updated annually?,Yes through surveys and portal updates.,alumni\_it

Is there a heritage gallery on campus?,Yes showcasing institutional history.,institutional\_traditions

Is there a student-alumni sponsorship program?,Yes needy students are supported by alumni.,alumni\_welfare

Are convocation proceedings archived digitally?,Yes videos and photographs are stored.,digital\_archive

Is there an alumni advisory council?,Yes strategic guidance and networking.,alumni\_governance

Are alumni involved in research collaboration?,Yes joint projects and publications.,research\_collaboration

Is there an annual thanksgiving ceremony?,Yes to honor donors and benefactors.,institutional\_traditions

Are alumni involved in global outreach?,Yes international health camps and missions.,global\_health

Is there a code of conduct for alumni events?,Yes professional and ethical guidelines.,alumni\_policy

Are alumni given lifetime library access?,Yes selected facilities are extended.,alumni\_services

Is there an alumni helpdesk?,Yes for verification and support.,alumni\_cell

Are alumni convocation mementos provided?,Yes degree scroll and institutional insignia.,convocation

Is there an alumni homecoming tradition?,Yes batch reunions and campus visits.,alumni\_events

Is there an annual institutional anthem?,Yes sung during major ceremonies.,institutional\_traditions

Are institutional values highlighted in ceremonies?,Yes ethics service and excellence are emphasized.,institutional\_values

## **Faculty Development, Promotions & HR Policies – Telapathy College of Medical Science (TCMS)**

question,answer,source

Is there a Faculty Development Program at TCMS?,Yes a structured Faculty Development Program (FDP) is conducted annually.,faculty\_policy

Who coordinates the Faculty Development Program?,The Medical Education Unit (MEU) in coordination with HR department.,faculty\_development

Are teachers trained in Competency Based Medical Education?,Yes all faculty undergo CBME and NMC module training.,teaching\_quality

Is induction training given to new faculty?,Yes orientation on curriculum teaching methods and ethics is mandatory.,hr\_policy

Is there a probation period for newly appointed faculty?,Yes a probation period of one year is

followed.,recruitment\_policy

Are promotions based on NMC norms?,Yes promotions follow NMC and University regulations.,promotion\_policy

What is the minimum qualification for Assistant Professor?,MD/MS/PhD as per NMC norms.,recruitment\_policy

Is teaching experience mandatory for promotion?,Yes minimum years of teaching and publications are required.,promotion\_policy

Are research publications required for promotion?,Yes indexed journal publications are compulsory.,research\_policy

Is there a Performance Appraisal System?,Yes annual faculty appraisal is conducted.,hr\_policy

Who conducts faculty appraisal?,HOD and Dean Academics with HR committee.,faculty\_evaluation

Are student feedbacks considered in appraisal?,Yes structured student feedback is included.,quality\_assurance

Is there a Continuing Medical Education requirement?,Yes minimum CME credit hours are mandatory.,faculty\_development

Are faculty sponsored for conferences?,Yes national and international conference sponsorship is provided.,faculty\_welfare

Is there study leave for higher qualification?,Yes faculty can avail study leave as per policy.,hr\_policy

Are sabbatical leaves allowed?,Yes senior faculty can apply for sabbatical.,leave\_policy

Is there a faculty promotion committee?,Yes promotions are reviewed by a statutory committee.,promotion\_policy

Are internal candidates preferred for leadership roles?,Yes based on merit and experience.,governance

Is there a grievance redressal system for faculty?,Yes Faculty Grievance Committee is functional.,hr\_policy

Are faculty given research grants?,Yes intramural research funding is available.,research\_support

Is there a mentorship program for junior faculty?,Yes senior professors mentor junior staff.,faculty\_development

Are online teaching skills part of training?,Yes LMS and digital pedagogy training is provided.,digital\_learning

Is there an ethics training for faculty?,Yes medical ethics and professionalism workshops.,ethics\_committee

Are promotions time-bound?,Yes as per NMC and university timelines.,promotion\_policy

Is there a transparent recruitment process?,Yes through advertisement interview and selection board.,recruitment\_policy

Are external experts part of selection committee?,Yes university nominees and subject experts.,recruitment\_policy

Is there a faculty code of conduct?,Yes covering academic and clinical ethics.,hr\_policy

Are leave benefits provided?,Yes CL EL maternity and paternity leave.,leave\_policy

Is there health insurance for faculty?, Yes group medical insurance scheme., faculty\_welfare

Are retirement benefits available?, Yes provident fund gratuity and pension schemes., hr\_policy

Is there a digital HR management system?, Yes online attendance payroll and appraisal., it\_services

Are faculty allowed private practice?, As per institutional and government rules., hr\_policy

Are faculty transferred between departments?, Only in exceptional academic needs., administration

Is there a policy for contract faculty?, Yes terms and renewal conditions are defined., recruitment\_policy

Are faculty evaluated for teaching innovation?, Yes innovative teaching methods are encouraged., quality\_assurance

Is there a reward for best teacher?, Yes annual Best Faculty Award., faculty\_recognition

Are female faculty given maternity benefits?, Yes as per labor laws., women\_welfare

Is there a faculty housing facility?, Yes limited residential quarters are available., staff\_welfare

Are faculty involved in curriculum design?, Yes through Board of Studies., academic\_governance

Is there a faculty exchange program?, Yes national and international exchange MoUs., international\_relations

Are training records maintained?, Yes in digital faculty portfolio., hr\_policy

Is there a retirement age defined?, Yes as per university and government rules., hr\_policy

Are disciplinary actions defined?, Yes warning suspension and termination procedures., discipline\_policy

Is there a faculty welfare committee?, Yes to address staff well-being., staff\_welfare

Are teaching hours regulated?, Yes workload norms are defined., academic\_policy

Is there an anti-harassment policy for staff?, Yes ICC protects faculty and staff., icc\_rules

Are promotions merit-based?, Yes based on performance research and service., promotion\_policy

Is there a faculty development budget?, Yes allocated annually., finance\_policy

Are leadership training programs conducted?, Yes for HODs and administrators., leadership\_development

Is there a digital repository of lectures?, Yes faculty upload content to LMS., digital\_learning

Are emeritus positions available?, Yes for retired distinguished professors., hr\_policy

Is faculty participation in committees mandatory?, Yes as part of governance., institutional\_policy

Is there an annual academic planning retreat?, Yes for curriculum and strategy., academic\_governance

Are faculty required to maintain teaching portfolios?, Yes lesson plans and assessments., quality\_assurance

Are clinical faculty required to do patient care?, Yes dual role of teaching and service., clinical\_policy

Is there a policy for outside consultancy?, Yes with institutional permission., hr\_policy

Are faculty trained in simulation teaching?, Yes skill lab training is mandatory., skills\_lab

Is there a policy for resignation and notice period?, Yes as per HR rules., hr\_policy

Are part-time faculty allowed?, Yes on contractual basis., recruitment\_policy

Are promotions communicated transparently?, Yes through official notifications., promotion\_policy

Are faculty development outcomes reviewed?, Yes by Academic Council., academic\_governance

Are international fellowships encouraged for faculty?, Yes through study leave and MoUs., international\_relations

Are faculty involved in accreditation work?,Yes NAAC NMC inspections.,quality\_assurance  
Is there a digital attendance system?,Yes biometric and LMS based.,it\_services  
Are faculty entitled to research incentives?,Yes for high impact publications.,research\_policy  
Is there a succession planning policy?,Yes for leadership continuity.,governance  
Is faculty training aligned with institutional vision?,Yes excellence in education research and care.,institutional\_policy

## **IT Systems, LMS, Digital Campus & Cyber Policies – Telapathy College of Medical Science (TCMS)**

question,answer,source

Does TCMS have a centralized IT Department?,Yes a dedicated IT Department manages all digital infrastructure and services.,it\_governance

Is there a Learning Management System (LMS)?,Yes an institution-wide LMS is used for lectures assignments and assessments.,digital\_learning

Which activities are conducted through LMS?,Lecture notes videos quizzes attendance and internal assessments.,digital\_learning

Is online attendance recorded?,Yes biometric and LMS-based attendance systems are integrated.,it\_services

Do students get official email IDs?,Yes every student and faculty receives an institutional email account.,it\_services

Is Wi-Fi available across campus?,Yes high-speed secured Wi-Fi covers academic blocks hostels and hospital.,network\_infrastructure

Is internet access filtered?,Yes content filtering and firewall policies are implemented.,cyber\_security

Is there a Hospital Information System (HIS)?,Yes a full-scale HIS manages OPD IPD billing and EMR.,hospital\_it

Are Electronic Medical Records maintained?,Yes all patient records are digitized and secured.,hospital\_it

Is there a digital library portal?,Yes students access e-journals e-books and databases online.,library\_it

Which databases are subscribed?,PubMed Scopus ClinicalKey and other medical databases.,library\_it

Is there a student portal?,Yes for registration results fees and notices.,student\_services

Is there an online examination system?,Yes for internal assessments and mock tests.,assessment\_it

Are virtual classrooms used?,Yes live and recorded lectures via video conferencing.,digital\_learning

Is data backed up regularly?,Yes daily and weekly automated backups are maintained.,it\_security

Is there a Disaster Recovery System?,Yes off-site and cloud-based recovery systems exist.,it\_security

Is there a Cyber Security Policy?,Yes a formal policy governs data protection and access control.,cyber\_policy

Is two-factor authentication used?,Yes for critical systems like LMS and HIS.,cyber\_security

Are students trained in cyber safety?,Yes awareness sessions on phishing and data privacy.,cyber\_awareness

Is there a Data Protection Officer?,Yes responsible for privacy compliance.,it\_governance

Is personal data encrypted?,Yes sensitive academic and medical data is encrypted.,cyber\_security

Are CCTV systems IP-based?,Yes integrated with central monitoring servers.,security\_it

Is there a campus mobile app?,Yes for notices attendance timetable and alerts.,digital\_services

Is online fee payment available?,Yes through secure payment gateways.,finance\_it

Is telemedicine platform integrated?,Yes for remote consultations and follow-ups.,digital\_health

Is there an e-Office system?,Yes for digital file movement and approvals.,administration\_it

Are online grievance systems available?,Yes students can submit grievances digitally.,student\_services

Is there an academic ERP?,Yes ERP integrates academics HR finance and inventory.,it\_services

Is biometric access control used?,Yes for hostels labs and critical hospital areas.,security\_it

Is cloud storage used?,Yes for LMS content and research data.,it\_infrastructure

Are software licenses centrally managed?,Yes through IT asset management.,it\_governance

Is plagiarism detection software used?,Yes Turnitin or equivalent for academic integrity.,academic\_it

Is virtual simulation software available?,Yes for clinical skills and anatomy learning.,simulation\_it

Are faculty trained in digital teaching tools?,Yes through regular IT and MEU workshops.,faculty\_development

Is there an online research repository?,Yes institutional repository for theses and papers.,research\_it

Are cyber incidents logged and audited?,Yes security logs and incident response plans exist.,cyber\_security

Is there a firewall and intrusion detection system?,Yes enterprise-grade network security is deployed.,network\_security

Is VPN access provided to faculty?,Yes for secure off-campus access to systems.,it\_services

Is student data shared with third parties?,Only with consent and as per policy.,cyber\_policy

Is there a digital notice board system?,Yes screens display announcements and schedules.,digital\_services

Is there a paperless examination workflow?,Yes internal exam processes are digitized.,assessment\_it

Is there an online alumni portal?,Yes alumni profiles and networking tools.,alumni\_it

Are online CME and webinar platforms used?,Yes for continuous medical education.,digital\_learning

Is there a central helpdesk for IT issues?,Yes ticket-based support system is available.,it\_support

Are system downtimes monitored?,Yes through network monitoring tools.,it\_operations

Is there a cyber incident response team?,Yes trained team handles breaches and recovery.,cyber\_security

Are students allowed to use personal devices on network?,Yes under BYOD policy with security controls.,network\_policy

Is there a policy for social media usage?,Yes official guidelines for institutional representation.,cyber\_policy

Are regular IT audits conducted?,Yes internal and external cyber security audits.,quality\_assurance  
Is digital literacy part of orientation?,Yes students are trained on LMS and portals.,student\_services  
Is data retention policy defined?,Yes academic and medical records retention rules exist.,cyber\_policy  
Is there a green IT initiative?,Yes energy-efficient servers and paperless workflows.,sustainability\_it

## **Regulatory Compliance (NMC, NAAC, University, NABH) – Telapathy College of Medical Science (TCMS)**

question,answer,source

Is TCMS recognized by the National Medical Commission?,Yes the college is recognized by NMC for MBBS and postgraduate programs.,nmc\_compliance

Is annual inspection conducted by NMC?,Yes periodic inspections are carried out for infrastructure faculty and hospital standards.,nmc\_compliance

Is TCMS affiliated with a Health Sciences University?,Yes it is affiliated with a State Health Sciences University.,university\_affiliation

Does the university approve curriculum and examinations?,Yes syllabus examinations and degrees are governed by the university.,academic\_regulation

Is NAAC accreditation obtained?,Yes the institution undergoes NAAC assessment for quality assurance.,naac\_accreditation

What does NAAC evaluate?,Teaching learning research infrastructure governance and student support.,naac\_standards

Is Internal Quality Assurance Cell mandatory?,Yes IQAC is mandatory for NAAC compliance.,quality\_assurance

Does the teaching hospital follow NABH standards?,Yes the hospital is aligned with NABH quality and safety norms.,nabh\_compliance

Is NABH accreditation pursued?,Yes periodic audits and assessments are conducted.,nabh\_compliance

Is biomedical waste managed as per government rules?,Yes BMW rules are strictly followed.,regulatory\_compliance

Is fire safety clearance mandatory?,Yes approval from Fire Department is obtained.,safety\_compliance

Is pollution control board clearance required?,Yes for waste water and emissions.,environment\_compliance

Are faculty qualifications verified by NMC?,Yes faculty eligibility and experience are verified.,nmc\_compliance

Is student intake approved annually?,Yes NMC approves annual seat intake.,nmc\_compliance

Is hospital bed strength inspected?,Yes bed occupancy and facilities are verified.,hospital\_compliance

Is compliance data uploaded on NMC portal?,Yes periodic returns are filed.,nmc\_compliance

Is there a compliance officer?,Yes a regulatory liaison officer is appointed.,regulatory\_affairs

Are university audits conducted?,Yes academic and administrative audits.,university\_affiliation

Is curriculum aligned with CBME?,Yes as mandated by NMC.,academic\_regulation

Are examination rules governed by university statutes?,Yes.,exam\_regulation

Is anti-ragging compliance mandatory?,Yes UGC and Supreme Court guidelines are followed.,student\_safety

Is institutional data submitted to AISHE?,Yes annual higher education survey.,government\_reporting

Is hospital blood bank licensed?,Yes under Drug Controller regulations.,hospital\_compliance

Is radiation safety clearance obtained?,Yes from Atomic Energy Regulatory Board.,radiation\_safety

Is pharmacy licensed?,Yes under Drugs and Cosmetics Act.,pharmacy\_compliance

Is medical gas pipeline certified?,Yes as per safety norms.,infrastructure\_compliance

Is clinical laboratory accredited?,Yes under national quality standards.,lab\_compliance

Is ethics committee registered?,Yes with national regulatory authority.,research\_compliance

Is clinical trial registration mandatory?,Yes CTRI registration is compulsory.,research\_compliance

Is animal house approved?,If present it follows CPCSEA norms.,research\_compliance

Is faculty appraisal reported to NMC?,Yes promotions and appointments are updated.,nmc\_compliance

Is hostel safety audited?,Yes by local authorities.,hostel\_compliance

Is transport compliance maintained?,Yes RTO and safety norms.,transport\_compliance

Is data protection law followed?,Yes IT Act and privacy rules.,cyber\_compliance

Is student grievance mechanism mandatory?,Yes UGC guidelines.,student\_welfare

Is ICC mandatory under POSH Act?,Yes Internal Complaints Committee is functional.,gender\_safety

Is periodic compliance training conducted?,Yes for faculty and staff.,regulatory\_training

Is hospital infection control audited?,Yes by NABH and state health authorities.,hospital\_compliance

Is disaster management plan mandated?,Yes as per national guidelines.,safety\_compliance

Is energy audit conducted?,Yes as part of sustainability norms.,environment\_compliance

Is academic calendar approved by university?,Yes.,academic\_regulation

Is convocation conducted as per university statute?,Yes.,university\_affiliation

Is faculty-student ratio monitored?,Yes as per NMC norms.,nmc\_compliance

Is library standard verified?,Yes by NAAC and NMC.,library\_compliance

Is research funding utilization audited?,Yes.,financial\_compliance

Is audit by chartered accountant mandatory?,Yes annual financial audit.,financial\_compliance

Is statutory disclosure published on website?,Yes mandatory information is displayed.,regulatory\_transparency

Is student attendance reported to university?,Yes.,academic\_regulation

Is clinical teaching hours verified?,Yes.,nmc\_compliance

Is hospital patient load inspected?,Yes OPD IPD statistics reviewed.,hospital\_compliance

Is institutional vision aligned with regulatory norms?,Yes.,governance

Is compliance review done annually?,Yes through governing and academic councils.,regulatory\_affairs

## Code of Ethics, Professional Conduct & Legal Policies – Telapathy College of Medical Science (TCMS)

question,answer,source

Is there a formal Code of Ethics for students?,Yes TCMS follows a written Code of Ethics aligned with NMC and University regulations.,ethics\_policy

Is there a Code of Conduct for faculty?,Yes faculty must adhere to professional and institutional conduct rules.,faculty\_conduct

Are medical ethics taught in curriculum?,Yes ethics professionalism and communication are part of CBME.,academic\_program

Is patient confidentiality mandatory?,Yes strict confidentiality is maintained under medical ethics and law.,patient\_rights

Is informed consent required for procedures?,Yes written informed consent is mandatory.,clinical\_ethics

Is there a Professional Conduct Committee?,Yes to review violations of ethics.,ethics\_committee

Is plagiarism considered misconduct?,Yes academic plagiarism is a punishable offense.,academic\_integrity

Is cheating in exams a legal offense?,Yes it leads to disciplinary and legal action.,exam\_rules

Is sexual harassment policy implemented?,Yes under POSH Act through ICC.,icc\_rules

Is ragging a criminal offense?,Yes punishable under UGC and IPC.,anti\_ragging

Is substance abuse prohibited?,Yes drugs and alcohol are strictly banned.,discipline\_policy

Is social media misuse regulated?,Yes under institutional cyber and conduct policy.,cyber\_policy

Is patient data protected legally?,Yes under IT Act and medical privacy laws.,legal\_compliance

Is negligence investigated?,Yes through hospital and legal committees.,clinical\_governance

Is medico-legal documentation mandatory?,Yes all MLCs follow legal protocol.,forensic\_policy

Is consent required for clinical photography?,Yes explicit patient consent is mandatory.,clinical\_ethics

Is professional attire mandatory?,Yes white coat and ID card are compulsory.,professionalism

Is disrespect to faculty punishable?,Yes under discipline and conduct rules.,student\_discipline

Is discrimination prohibited?,Yes equality and non-discrimination policy.,human\_rights

Is ethical approval required for research?,Yes from Institutional Ethics Committee.,research\_ethics

Is data fabrication a punishable offense?,Yes strict action under research misconduct.,research\_integrity

Is attendance falsification misconduct?,Yes disciplinary action is taken.,academic\_integrity

Is patient safety a legal obligation?,Yes under clinical governance and law.,patient\_safety

Is end-of-life care guided by ethics?,Yes palliative and legal protocols are followed.,clinical\_ethics

Is conflict of interest declaration required?,Yes for research and administration.,governance

Is clinical trial consent regulated?,Yes as per ICMR and CTRI norms.,research\_ethics

Is corporal punishment prohibited?,Yes zero tolerance policy.,student\_rights

Is workplace bullying addressed?,Yes through grievance and discipline committees.,hr\_policy

Is professional secrecy mandatory?,Yes under Medical Council regulations.,professional\_ethics

Is legal aid available for students?, Yes through Legal Advisory Cell., legal\_support

Is whistleblower protection provided?, Yes ethical reporting is protected., governance

Is academic freedom protected?, Yes within ethical and legal limits., academic\_policy

Is patient dignity protected?, Yes as a fundamental ethical principle., clinical\_ethics

Is use of hospital resources for personal gain prohibited?, Yes strict conflict of interest rules., ethics\_policy

Is private practice regulated for faculty?, Yes as per institutional and government norms., hr\_policy

Is clinical documentation legally binding?, Yes medical records are legal documents., legal\_compliance

Is ethical training mandatory?, Yes periodic ethics and professionalism workshops., faculty\_development

Is disciplinary action graded?, Yes warning suspension and termination., discipline\_policy

Is defamation policy defined?, Yes legal and institutional procedures apply., legal\_compliance

Is gender sensitivity training provided?, Yes mandatory awareness programs., student\_welfare

Is patient consent needed for student examination?, Yes verbal or written consent is required., clinical\_ethics

Is intellectual property policy present?, Yes for research and innovations., ip\_policy

Is data sharing regulated?, Yes through privacy and consent policies., cyber\_policy

Is malpractice insurance provided?, Yes institutional indemnity cover exists., legal\_compliance

Is student counseling confidential?, Yes privacy is strictly maintained., student\_welfare

Is ethical violation reported to NMC?, Yes serious cases are escalated., regulatory\_compliance

Is legal awareness taught to interns?, Yes medico-legal training is part of internship., academic\_program

Is violence against healthcare workers addressed?, Yes under state and central protection laws., legal\_compliance

Is consent needed for blood transfusion?, Yes mandatory informed consent., clinical\_ethics

Is patient complaint redressal a right?, Yes through grievance redressal cell., patient\_rights

Is ethical practice part of assessment?, Yes professionalism is evaluated., academic\_program

Is social responsibility emphasized?, Yes community service and ethics education., institutional\_values

Is confidentiality of examination papers ensured?, Yes strict legal and ethical protocols., exam\_security

Is harassment of any form punishable?, Yes zero tolerance policy., discipline\_policy

Is digital data misuse punishable?, Yes under IT Act and cyber policy., cyber\_compliance

Is professional misconduct recorded?, Yes in personal and service records., hr\_policy

Is ethical oath taken by students?, Yes during White Coat and Convocation ceremonies., institutional\_traditions

Is clinical autonomy guided by law and ethics?, Yes patient rights and safety are paramount., clinical\_governance

Is academic honesty mandatory?, Yes honesty and integrity are core values., academic\_integrity

Is respect for cultural diversity promoted?, Yes inclusive and ethical campus culture., human\_rights

Is institutional code publicly available?, Yes published in handbook and website., regulatory\_transparency
